Outdoors Fest to help grant wish

by Meggan Allen
contributing writer

Commuter Council and the Outdoors Club will host the Outdoors Festival Friday, Sept. 13, from 3-8 p.m. An outdoor dance will follow from 9 p.m.-12:30 a.m.

The festival is a series of events in which teams of six compete for ultimate victory. The events include a tent set up, a gorge run and tier football.

For those not participating in the events, there will be booths for face painting and many other activities. All the money raised will be donated to

the Make a Wish Foundation to help support a sick child's dying wish.

The 12-year-old girl from Crawford County is dying from leukemia and is not expected to live past her 13th birthday. She desperately wants to go to Disneyland before she dies.

There is a \$10 entrance fee per team. At the door of the dance there will be a table for donations. Donations can also be given at the Rub desk to help this great cause.

Any questions can be directed to the Commuter Council office at 898-6452.
