DR. DIRTY JOHN VALBY

So who is John Valby

John Valby wears a white tuxedo, the grin of an imp, a derby and a black bow tie. He sings a string of obscenities, complete with bathroom references to genitals and intercourse.

His audience loves him. They drink beer. They stand up and shout "sing f--ker sing" giving the whole performance the atmosphere and couch of a frat party. It all started about 20 years ago when Valby was performing in a Buffalo bar. His act those days was a mix of rag-time piano tunes and renditions of pop standards, like the Beatles.

"Well, I did three dirty songs one night and pretty soon the power of dirt pushed most everthing out. I became a mirror for the audience and the audience turned out to be 17 times dirtier than me" he said. It used to bother him that he'd be on stage, singing something serious and exposing his soul, while the audience was shouting "sing some dirt."

His biggest audience is among college students who learn of Valby by word of mouth, an underground sort of publicity.

We could go on an on about John Valby, but there is only one way to find out who Valby truly is go see him perform.

One hell of a beer drinking singing & shoutin good time!!!!!!
