## BEHREND BRIEFS

### PENN STATE PIONEERS ONLINE PLACEMENT TESTS

Penn State's Office of Undergraduate Education pioneered new territory this summer as nearly 15,000 students completed their placement testing for chemistry, English and math online without ever setting foot on campus. "Penn State's online approach to placement is more extensive than any other large university's," said Janis Jacobs, vice provost for Undergraduate Education and International Programs. The entire Penn State 2003 incoming class, including international students, out-of-state students and students entering each of the campus college locations, logged on from home computers or other off-site locations. Students without access to a home computer were offered computer lab options at the Penn State campus closest to their home.

### got sisterhood?

by Claudia Caracci

Green and gold are back in style!

With the addition of 10 new members from last year's recruitment, Alpha Sigma Tau is back and ready to invite the women of Penn State Behrend to join the growing organization.

Rush (recruitment) is an important part of all Greek organizations. These events (rush parties) are designed to let women meet sisters and learn about Alpha Sigma Tau. During this time period, you learn about Greek mainstay - philanthropy - and other aspects of Greek life. The sisters of Alpha Sigma Tau help the community through various projects including Adopt-a-Highway.

Events will be held on the following dates: Sept. 24 and Oct. 8 - both at 9 p.m. in Bruno's.

### Student Government Association to hold elections

Penn State Behrend SGA will hold inter-semester elections for three Freshman Senator positions, one regular Senator position, and a University Faculty Senate Representative. Petitions can be picked up at the RUB desk and must be completed and returned by Oct 7. The elections will take place on October 8 and 9. In order to run all candidates need to obtain 50 signatures on a petition included within the packet. For any questions about SGA or the elections e-mail President Scott Soltis at sms520@psu.edu, or stop by the SGA office.
