Dave Hoffman, MEBD 04, and Joe Persang, MEBD 04, find themselves hitting the books once again in Bruno's.

PENN STATE NEWS

Several students may have received access account expiration notice in error

On Monday, Jan. 12, a mistake in accounting processes resulted in some Penn State students being sent-in error-a notice that their Penn State Access Account was about to expire. The error was quickly detected, and students already have been e-mailed with a letter of correction and apology.

Table tennis olympic qualifying tournament comes to Penn State

Thirty-five top table tennis players from across the country will converge on Penn State's University Park campus with hopes to qualify for the 2004 Olympic games. The table tennis Olympic qualifying tournament will begin on Tuesday and will continue through Sun. at Penn State's Intramural Building. The top-ranking three male and three female competitors will then go on to compete in the North America Tournament later this winter to secure a place in the 2004 summer Olympic games in Athens, Greece.

New web site helps students make informed decisions about living off campus

Behrend students who transfer to Penn State University Park often have trouble finding quality housing for an affordable price, in part because 28,000 students that live off campus at UP. Penn State has started a new Website dedicated to helping students through the process of finding just the right place to call home. Visit the Office of Off-Campus Living at: www.sa.psu.edu/ocl.
