Mark Your Calendars

Saturday is the official first calendar day of spring. The Vernal Equinox is one of four seasonal changes of the year. Both day and night are equal in length and the day is considered the start of spring. Erie County, however, will likely not be able to truly feel spring weather until late May.

A Closer Look

The Logan House is hosting a metrosexual etiquette dinner open to all students on Tuesday. Metrosexual is described as "An urban male with a strong aesthetic sense who spends a great deal of time and money on his appearance and lifestyle." The dinner starts at 7 p.m. and will host various speakers from around campus.
