Mark Your Calendars

April 4 marks the start of Daylight Savings Time. The main purpose of Daylight Saving Time (called "Summer Time" many places in the world) is to make better use of daylight. We change our clocks during the spring and summer months to move an hour of daylight from the morning to the evening.

A Closer Look

The Screen Visions Film Club is new club being formed for film enthusiasts. Dedicated to exploring the art and entertainment of independent, foreign, fringe and classic film, the Screen Visions Film Club will provide the Behrend campus and Erie community with alternative film programming.

But first, the club need your help. The Screen Visions Film Club is looking for members who are dedicated to film and are willing to work to help out the artists who are trying to make it in the business.

The Screen Visions Film Club will be the programming group behind the Screen Visions Film Series, a film series for the students, by the students.
