Sharkrypto 2

Once upon a time
 in a way we left until the crosswords
 died on the parkways
 do harm to those with a Gumby cluttering up
 the mind and old beans that with an aimless
 heap of cheese curls with unusual words
 from the president
 selected dingos easily with purely for
 mechanical freshman year cars exigencies and
 having no held where we need well-proportioned
 relationships suck with Hamuto the needs of
 graceful discourse

H. P. Lovecraft
