Meet the SGA candidates

Freshmen Senator Candidates

Name: John Campbell

Major: Accounting

Platform: I believe I would make a great Freshman Senator because I am dependable, approachable, and a diligent worker. I believe the best way to lead is to lead by example. I will do my best as a Senator in SGA, and will continue to do my best throughout my term. As a Senator I would ensure that I would consider any and all suggestions made by my peers and fellow students. I will try my best to make this campus and this college live up to its potential. Together, we can make college the best time of our lives.

Name: Jason Golebieski

Major: Accounting

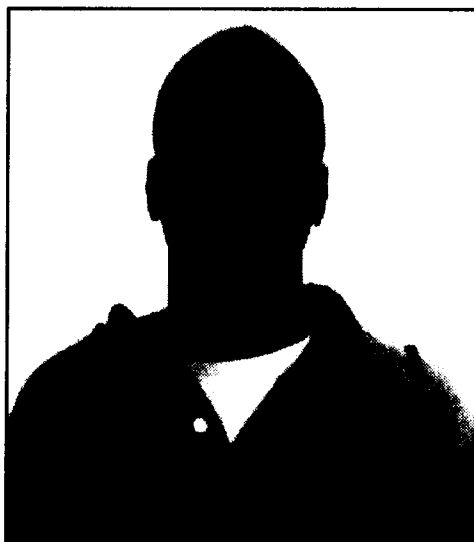

Platform: As I went around my hall floor collecting signatures, I was asked about what SGA was, and what does it do? I've decided to make my platform out of my answer. I will attempt to do whatever I can to make SGA an important organization for the student body and one that makes students aware that it exists. SGA exists to help the students of this college. I don't necessarily want the students to depend on SGA, but I do want the student body to know that if they want or need something changed, they have an organization that can help.

Name: Nyok John

Major: Biology

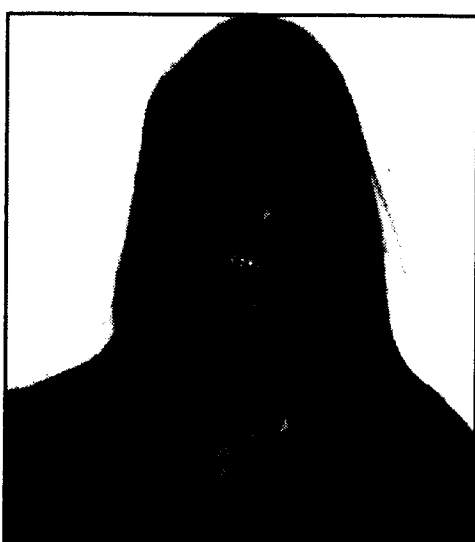

Platform: I am running for the Senate because I want to serve the Penn State family here on and off campus. It is my intention to serve because ever since I came to this campus, I noticed that nothing seems to change for the better. I talk to a lot of students here on campus and they tell me their problems are never heard. Therefore, I am going to be their voices. Students need more lockers here on campus. Students are complaining about road traffic that becomes more congested. I will take your voices with me to the Senate if you vote for me.

Name: Lauren Restich

Major: International Business

Platform: If elected to Senator, I will represent the freshmen well by being everybody's voice on campus issues. I am a strong public speaker, very organized, I possess leadership skills, easy to talk to and a good listener. I've attended every SGA meeting this school year and was on the Student Council in high school, along with the newspaper staff, soccer team, and officer in Students Against Destructive Decisions. Currently, I am an active member in LEB, THON, Blue and White Society, and Intramural Sports. Senator will give me an opportunity to bring awareness to students about what is happening in our school.

Upperclassmen Senator Candidates

Name: Michael Lytle

Major: Business Management

Semester Standing: Sophomore

Platform: During my sophomore year I plan on serving the student body. Behrend is an ever changing community and students must play a vital part in helping to guide this change. When elected, I will represent my peers through my contributions to the SGA Senate and its committees. I believe that a single person, as dedicated as I am, can make a difference. Vote Michael Lytle for Upperclassmen Senator.

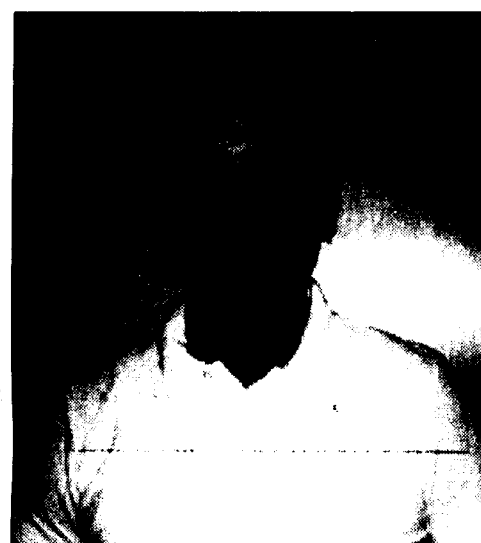

Name: Caleb Rodgers

Major: Finance

Semester Standing: Sophomore

Platform: If I were to be elected Upperclassmen Senator, I would do everything in my power to maintain the high standards and flawless reputation of Behrend. I would do my best to get each and every student involved and to reach out to students struggling to get their feet on the ground. As an Upperclassmen Senator, I will work to show all that is Penn State through clubs, organizations, academics, and the overall atmosphere that welcomes Behrend's students and demonstrates the morals and values of the college.

Name: Amanda Schifko

Major: Political Science

Semester Standing: Sophomore

Platform: As a Senator, I plan to effectively help each and every student with all of their needs. I plan to fully represent the student body no matter what the cause or concern may be. To me, no issue is too big or too small for me to handle when it comes to the student body of Penn State Behrend. I believe I will make a great senator in a school I am proud to be a part of.

Club Representative Candidates

Name: The Lion Entertainment Board

Platform: As the principle programming body of the campus, the members of the Lion Entertainment Board believe that we would bring a large, well represented voice to SGA. Consisting of over 70 members and a large source of contacts thanks to our weekly movies and events each weekend, the LEB would be a great, easily recognizable source for students to come to with campus concerns and input. Let your voice be heard, and let us help. After all, we've already got the microphones.
