This will include regular open forums and a constantly updated website. Their main goal is for students to become involved with the changes being made to better Behrend.

**Caleb Rodgers**  
 4th semester - Finance

At the beginning of the 2008-2009 academic school year, I was granted the privilege of serving the Behrend community as an upperclassman Senator for the Behrend Student Government Association. Throughout that period of time, I gave my best effort through speaking up in meetings, giving my input, attending all events for the SGA, and serving office hours every week. I would love to serve the student body here at Behrend as the secretary for the SGA. I am very skilled at keeping student groups focused and organized. I am currently involved in the LEB, SGA, Facility Fee Committee, KDR, and I am chairing the Spring 2009 Concert Committee.

**Chasity Wilson**  
 2nd semester - Political Science

I am Chasity Wilson, my major is political science, and I am a candidate for the secretary position in SGA. I know that I can dedicate the time to be an aid to the president, vice president, and student body. I will be detailed and accurate with all documentation and fair when voting on financial and social issues. I know how to work well with people, speak in public, manage my time, and be efficient with all assignments. What I don't know about the position I am willing to learn, and I am willing to dedicate myself to the position as secretary.
