Restaurant review: STEAK 'N SHAKE

After a few visits to Steak 'n Shake throughout my college experience I have realized it is a college student's dream-come-true diner. Located on Peach Street, the restaurant offers excellent food for an extremely cheap price. Let's face it, sometimes eating at Bruno's and Dobbins for every meal of the day can become boring. When the mood strikes to try something new, make Steak 'n Shake your first stop. It is an American Classic style restaurant with an abundance of options for an unbelievably low price.

On top of an entirely affordable menu, Steak 'n Shake is currently offering college students a deal that is better than we could even ask for. A Four Meals Under \$4 promotion points out that the following

entrees are under \$4 (pictured below): The Double Steakburger with Cheese 'n Fries, The Single Steakburger with Cheese Bacon 'n Fries, The Triple Steakburger 'n Fries, and Chicken Fingers 'n Fries. This price is hard to pass up for the famous Steak 'n Shake burgers piled in threes with crunchy thin-cut french fries.

Behrend Students are piling into Steak 'n Shake with Free Milk Shake coupons that have been offered in The Beacon for the past few weeks. The coupon in the advertisement below is good for a Free Classic Milk Shake with a recipe that has been used since 1934. They are hand-dipped, made with real milk, and offered in chocolate, vanilla, strawberry, banana, and mocha.

The restaurant offers several exciting milk shake and dessert options, and the new Turtle Caramel Nut Milk Shake is a must-try. It is a pleasant, sweet blend of vanilla ice cream and Turtles candy topped with a layers of caramel and chocolate, whipped cream, and a cherry. Steak 'n Shake's Chili 5-Way has a

unique taste that can't be matched anywhere else. It is a base of warm spaghetti loaded with chili, beef, Steak 'n Shake Special Sauce, onions, and cheddar-jack cheese. It is a large enough portion to fill you up for dinner, and includes a plethora of flavors and spices.

If you're looking for a meal with variety, order the 3 Shooters'n Fries meal. Get creative with five choices of mini burgers including the Ketchup & Mustard, BBQ, Frisco, AI, and Chipotle flavors.
