This week's sights and scenes caught on camera.
Including feature photo of Men's Cross Country.

On Tuesday, the Career and Internship Fair was held at Junker Center. The event brought hundreds of students who were looking for jobs or internships that are available in the local area of Erie County.

Students of local schools in Erie County, ranging from Kindergarten to twelfth grade, watched "Bassoon in the Wild" in McGarvey Commons.

Since 2001, Burke has been serving Penn State Behrend as Chancellor. 2009-2010 will be his final academic year holding the position.

For the past few years, GE Transportation has come to the Career Internship Fair, and is recruiting for Fall and Spring Co-Ops and Information Management Leadership Program.

The men on Penn State Behrend's Cross Country had just a bit of excess energy this year. This photo was taken after the Behrend Invitational this year.
