

Student Reminders On Campus Happenings

Dispensary

Flu vaccine will be offered in the Dispensary again this year for faculty, students, and staff. There is a charge of \$2.00. It will be given in the Dispensary during the week of October 15 through the 19.

Also, Dr. Snow has been replaced by Dr. Joseph Gaughn. Dr. Snow was forced to leave due to increasing pressures from his other duties, and could not spare the additional time that the increased enrollment would require. Dr. Gaughn will be in the Dispensary Mondays and Thursdays at about 10:00 a.m.

Library

Have you visited the browsing collection in the Library lately? The collection contains a very fine assortment of current fiction and nonfiction volumes. Mr. Woerner, our Librarian, extends to all a cordial invitation to come in and browse at your leisure.

Employment

If you are looking around for off-campus employment, it might be worth your time to see Miss Carroll at the Office of Student Affairs. You might find what you want in the file of available jobs in the Erie vicinity which are phoned into the office by local employers.

The office of Student Affairs receives requests for babysitters quite frequently. If you are interested in this type of work, leave your name and phone number so that you can be contacted if a job becomes available.

ID's

Pictures for freshmen identification cards which were unavailable at registration will be taken from 1 p.m. to 4:40 p.m. on Monday, October 11 in room 119 Behrend Building.

This year's ID is improved over last year's. The picture is in color and the card is more durable. They are expected to last two years, at which time new pictures will be taken.

Ping-Pong Tournament

Registration for the ping-pong tournament will begin on Monday, October 11 at the RUB desk. Fees will be 35c for those students with activity cards and 75c for those students without cards.

There will be double elimination for men's and women's singles and doubles. Winners will compete in the Regional Recreational Tournament at the George Washington University in Washington, D.C. at the end of January. This will be an ALL-EXPENSE-PAID trip.

Change of Assignments

During the rest of this week and the beginning of next week, those students desiring changes of assignment to University Park during the Winter Term 1972 should see Miss DiNicola, Mrs. Hamilton, or Mr. Goetz in the Administration Building for the proper forms. Only those students of seventh term standing or higher, or those students whose curriculum requires an earlier transfer will be approved to change campus locations. Students who do not meet either of these criteria should not apply for change of assignment as they will not be approved.

After a student's change of assignment has been approved, he or she will be sent a housing application from the Office of Resident Instruction. This should be completed and sent in as directed, as soon as possible. Students who have received housing applications should make arrangements with Mr. Goetz to pre-register for U.P. for Winter Term within the next two weeks.

Circle K

For the first time in the history of Circle K International Club, a female was "elected" as president. Lora Anderson (1st nursing, Ridgeway) was named president at Monday's meeting, with Terry Sue Hites (1st nursing, Conneautville) as secretary Jack Richebacher, former president, discussed with the group the projects they hope to initiate this year for the community and the campus. The club plans to undertake projects to help the disadvantaged and handicapped youths and the elderly of the community. Their first service project for the campus this year is the sorting of mail on Saturdays.

The next meeting will be held 7:30 p.m. on Wednesday, October 13 at 7:30 p.m. The place of meeting will be posted at a later date. All those interested are urged to attend.

Players & Readers

Prospective members of Players and Readers will meet at 8 p.m. in the Studio on Thursday, October 7.

A sampling of the work done by both organizations will be presented to entertain new members.

Any student who is interested in finding out more about the activities of either group is invited to attend this meeting. Enthusiasm, interest and a sense of responsibility are the most important requirements for new members. If unable to come tonight, students can see Mr. Flaherty in The Studio for information about Players, and Mrs. Flaherty in 102-F Turnbull about Readers.

New Generation

A new way of life accompanies 24 year old Max Frost to the presidency of the United States as he establishes the 14 year old vote and concentration camps for people over 30. These are some of the themes in this weeks SUB movie, "Wild in the Streets."

Sub Brings Radical Film Wild In The Streets

"Wild in the Streets" starring Shelly Winters, Christopher Jones, and Diane Varsi will be showing at 7 and 9 p.m. on Sunday, October 10th in the RUB Lecture Hall. The price of admission will be 35c for those students with activity cards and \$1 for those without cards.

"Wild in the Streets" is the story of Max Frost, a popular folk-rock singer, who created the world in his own image. Through

manipulation he changed the laws concerning voting age and revised the constitution enabling him to be elected president at the age of 24. In his first State of the Union Address he establishes a mandatory retirement age of 30 and at 35 everyone is forced to enter concentration centers resulting in utter chaos. "Wild in the Streets" is perhaps one of the most shocking and unusual motion pictures you will ever see.

Organizations Plan Upcoming Activities

CWENS

Karen Gill, president of Cwens, a sophomore woman's honor and service organization, attended the president's conference held at Eastern Kentucky University. There she met with other Cwens from all over the United States and discussed problems concerning the Behrend Cwens, such as obtaining a charter, fund raising projects, and tapping new members.

Upcoming Cwens projects include a pumpkin sale, candy grams, survival kits, birthday cakes, and various service projects.

Radio Club

The Radio Club plans to have

German Film Tonight

Toni Kroger, a film based on the short story by Thomas Mann, will be presented this evening at 8 in the Reed Union Building Lecture Hall. The sound track will be in German with English subtitles provided for the non-Teutonic speaking members of the audience.

The film will be the first in a series to be offered by the German Department. The program is under the direction of Sonja Eilenberger, instructor in German.

Tonight's film, Toni Kroger, is especially appealing to young people. It tells the story of a young artist torn between a conservative life with its old attitudes, and exciting, spontaneous living as represented by Hans Hansen and Ingeborg Holm, Tonio's opposites.

The film follows Tonio's growth from adolescence in Lubeck to his maturity in Munich where he meets Lisaweta, the Slavic artist.

Students, staff, faculty and administrators are cordially invited to view the film.
