Byrd Captivates Audience With Impressive Concert

by Joe Campbell
Guest Writer

The Student Union Board of Behrend Campus pulled off one of the greatest feats of Behrend history on Wednesday, October 20. Five hundred people—probably more than that gathered in Erie Hall to see an amazing man do an amazing

concert. Charlie Byrd, a veteran guitarist of 38 years, got on stage and proceeded to tickle the imaginations of his—and only his—audience. He touched on many of the forms of music used for the guitar—from contemporary to traditional to South American. Almost no musical stone was left unturned through the length (and breadth) of his concert.

The quality of his back-up men was just as impressive. The two things that struck me most were the tightness of the band and the range of sounds they produced.

Byrd has been doing concerts for about fifteen years, and club work for about twenty years. His musical instruction has ranged from studying originally with his father, then under Ravi Shankar, and the Academy of Chigano in Siena, Italy.

His most significant statement

concerned the classifying of music. He seemed completely turned off by the terminology and semantics, which he felt only confused the real basic feeling of music, feeling that all real music comes from within, and is not a matter of living up to another man's terms.

Mr. Daniel To Lecture

The first lecture in the Behrend Campus' Library Lecture Series will be conducted at 8 p.m. on November 10, in the Reed Union Building Lecture Hall. David Daniel, Instructor in History, will speak on "Martin Luther, A Man Who Changed History". Mr. Daniel has an interesting display on Lutheran Reformation in the Library in conjunction with his lecture.

"ENERGY AND VITALITY TO THE COURTS"

"Attorney Fred P. Anthony, an able and dedicated lawyer, surprised the political professionals by his primary victory on May 18, 1971.

The Erie Daily Times on Monday, May 17, 1971, reported the following: 'Attorney Fred Anthony, the pacesetter running on the slogans 'Energy and Vitality to the Courts' and 'He took the Time to Meet the People', is at the line with an unprecedented 1,000 volunteers attempting to help and keep up with him.

Anthony, who walked the county for a year in his drive for legal reform, will go to the polls Tuesday...

The people did nominate this man who dared to run without political support. He ran with the support of over 18,000 Democratic and Republican voters who recognized that he would bring to his office what it most needs at this time."

Since the May Primary, the Anthony Volunteers have almost doubled.
