Cub Cagers Look Impressive; Prepare For Opener Nov. 23

by Tom Harvey

Coach Roger Sweeting returns to the Behrend basketball wars after two years' absence from the coaching scene. Coach Sweeting inherits two lettermen from an 11-12 team of last season but he is still optimistic regarding Behrend's basketball fortunes. Sweeting commented: "This season should be interesting for the fans and challenging to me. True, this is a rebuilding year, however, we have the talent and desire. The only question is when the talent will begin to jell."

Leading the hoopsters is white letter award winner and co-captain Glenn McKinney. The former all-county and Union City ace has one of the guard slots nailed down. The other guard spot is being contested for by 6'3" Steve Johnson of Summerville and 5'8" Lamar MacIntosh of East. Co-captain and the other letter winner Ike Burnett had the inside track for the second

starting berth but is ineligible and won't be available until January.

The center position is being fought for by two boys who have excellent ability but limited experience. Dennis Deiner 6'2" from Prep and John Miller 6'4" from Iroquois are the friendly combatants for the vital center post.

The forward spots look bright for Sweeting's return. Ron Gaines 6'2" all-county star from Union City, Chris Gross, 6'2" honorable mention Section 2 from Latrobe, are fighting for the two starting positions. Kezesky has been hampered as of late, due to a broken hand and won't be available for duty until the opening game if his hand heals in time.

Other potential starters are: Joe Olszewski who according to Sweeting has been a pleasant surprise; Calvin Fleming another surprise who lacks experience; Roger Nolan has been par-

ticipating in soccer and has been unavailable for practice. Rounding out the squad are Hal Butler, Duane Zimmerman, Bill McKinney (Glenn's brother), David Jones, Dennis Grace and Ron Miller.

Coach Sweeting stated that the turnout for opening drills was excellent and the boys around are the ones who want to play. Sweeting concluded: "Before the season is over we will have a fine ball club. Hopefully, we'll put it together by December 1."

Finest Season Record; Booters In Title Game

by Tony Alo
Asst. Sports Editor

The Behrend Campus soccer team heads for the Commonwealth Campus championship game this Saturday with their greatest regular season in history behind them.

Last Saturday's 4-1 victory over Beaver Campus boosted the Cubs' record to 6-4, the best season's slate ever compiled by a Behrend Campus soccer team.

Another highlight of the win was the record-setting performance of Behrend's super-scorer Jim Channas. Channas turned in the hat-trick against Beaver to hike his new school record for the most goals in one season. Channas had set the old

record of 12 only last season. Jim's three goals also made him Behrend's all-time leading scorer with a career total of 25 goals.

John Hoge accounted for the other Cub score and an assist while Roger Nolan and Bob Jeffery each assisted a goal. Tonio hit an unassisted goal for losers- the only one given up by the Cubs against a Commonwealth Campus opponent this season.

Behrend's defense was great once again as they limited Beaver to only seven shots. Ed Moore recorded 10 saves as Coach Lauffer's crew nailed down the Conference western division crown. Last Tuesday saw Behrend's three-game winning streak snapped at the hands of Allegheny Community College by

a 5-1 score.

Tonny Colavecchio slammed two goals and brother Bruno Colavecchio, Mazzota and Sheib each had one for the winners. Strniska had two assists and Davis and Barker each had one to aid in the scoring.

Bob Jeffery prevented the shutout with an unassisted score.

This Saturday the Cubs' trek to University Park to face Ogontz Campus for the Commonwealth Campus championship. The 10 o'clock affair will be played on an artificial surface.

Ogontz, the eastern champ, and Behrend, the western kingpin, come into the fray with identical 4-0 conference records. The Cubs would like nothing better than adding more glory to their final Junior college season by bringing home the state crown.

The Queens of Behrend Campus, the girls basketball team, has begun practice in preparing for the upcoming season.

Behrend belongs to the Erie Women's Intercollegiate Basketball league which also includes Villa, Mercyhurst, and St. Vincents.

The Aardvarks defeated the Peanut Butter Kids for the Girls Intramural Volleyball Championship. The members of the championship Aardvarks include Kay Kelsey, Mary Pat West, Sharie Thigpen (captain), Kit Murphy, Sue McGarvey, Janice Fulton and Cherie Nelson.

The members of the runner-up Peanut Butter Kids include Yvonne Rhodes, Sue Spoke (captain), Sue Kinter, Kitty Lavery, Renee Healship, Carol Hughes, Barb Duncan, Becky Jones and Marjorie Schultz.

Bud VS. TRC In; Campus Superbowl

by Al Lopus
Sports Reporter

Tuesday night determined the champion of the previously tied up commuting league with the Bud Brigade downing the Commuting Commandos 5-2. The Behrend Superbowl will therefore be between the Dorm Champions, Trojan Rubber Co. and The Commuting Champs Bud Brigade. Both teams have only been defeated once during the season and both are sporting a 5-1 record.

The Bud Brigade is led by quarterback Dave Ruef who has thrown twenty (20) touchdown passes. Other outstanding players include Tom Harvey, Mike Wolf, Dan Porath, and Don Rado. Their biggest threat is the high percentage passing of Ruef and the occasional run. The Trojan Rubber Co. however, establishes a running game with halfbacks Keith "Flash" Lustig and Dan Trisilo. To offset their running game, quarterback Al Lopus often hits ends Denny Pattyn and George Frola for long gains. Both teams seem to be anxious and are confident they can win the championship.

This year the Behrend Arena has been the sight of many good

games. Although attendance was poor at the beginning, it rapidly increased with a net gain of 500 per cent of more. These figures are of course not exact, but are close according to Arena officials.

So sports fans, if you miss the Big Behrend Superbowl be sure to check in next weeks BEHREND COLLEGIAN for play by play details.
