

# Cubs Win Commonwealth Campus Championship

by Tony Alo  
Asst. Sports Editor

"My greatest experience in coaching," This is the way Coach Herb Lauffer described the 1971 Behrend soccer season which saw the Cubs post their best season record in history at 7-4 and win this year's Commonwealth Campus Championship.

Last Saturday's 4-1 victory over Ogontz Campus of Philadelphia at University Park brought a close to the Cub's highly successful season.

Jim Channas, as he has done all season, paced the Behrend attack with a pair of goals and one assist. His score broke the scoreless tie at 8:45 of the second quarter and Denny Grace added another in the third to give BC a 2-0 lead. Jim Stacy brought the losers within one, but goals by John Hoge and Channas in the fourth canto put the game out of reach.

Goalie Ed Moore blocked nine Ogontz shots and

the stingy Behrend defense held the enemy to only fifteen shots at their goal.

Coach Lauffer was ecstatic in expressing his pleasure over the '71 season as he stated: "I was very pleased with the way the season went and the progress we made. I felt we would get better as the season went along with our young players and we did. This was evident as we won five out of our last six games." The coach concluded by saying: "These guys did a great job this year. I'm really proud of them and they provided a very rewarding year. We're looking forward to next year."

Next year Behrend will join the Western Pennsylvania Intercollegiate Soccer Association. They will play teams like Gannon, Geneva and Roberts-Wesleyan. Coach Lauffer's basic problem, of course, will be keeping his sophomore stars on campus to form the nucleus of next year's squad.

In their final junior college season the Cub booters set five team records and four individual

records.

The 1971 Cubs' set a new record for most goals in a season with 34, and largest margin of victory in the 8-0 win over McKeesport. They also allowed the fewest goals in a season with 23 and had the most shutouts in a season with three. They also currently hold the record for most consecutive games without being shutout as Behrend has scored in its last twelve games over the past two seasons.

All-regional candidate, Channas, from Cartiers High School in Pittsburgh, cracked two individual marks this year. He scored 13 goals this season to set the record for most goals in one season. He also brought his career total to 25 to become Behrend's all-time leading scorer.

Bob Jeffery, from Iroquois High in Erie, also set a couple of individual records, as he collected a record six assists this season. He also set the record for career assists with ten.

## Grove Dedication

Mary Behrend, who donated the land for the campus to Penn State, talks to Joe Zani, first vice-president of S.G.A. at the reception held in Dobbins Hall after the dedication of the shelter in the Picnic Grove. The shelter was a gift to the campus from Norman W. Wilson, and Erie Industrialist in memory of his wife.

## Norman W. Wilson Dedicates Pavilion

Norman W. Wilson officially dedicated the Wilson Picnic Pavilion to the Behrend Campus on Tuesday, November 9 at 2 p.m. The Pavilion was dedicated in honor of Wilson's late wife, Flora Nick Wilson.

Accepting for Behrend was John C. Herbert, President of the Campus Advisory Board, who expressed thanks to Wilson on his generous contribution. T. Reed Ferguson, Vice President for Public Affairs accepted on behalf of the Pennsylvania State University in the absence of President John W. Oswald.

"This Grove and Rustic Shelter are dedicated to the enjoyment of the students, faculty, and friends of the Behrend Campus of the Pennsylvania State University in loving memory of Flora Nick Wilson (1880-1969)..." began the golden plaque over hanging the stone fireplace within the shelter.

Joseph Zani, Vice President of the Student Government Association, Richard Tomic, Chairman of the Faculty Senate, both noted the use the shelter has already served, and in thanking Wilson, they assured him of the facilities future usefulness.

Present at the dedication was 92-year-old Mary B. Behrend original contributor of 410 acre Behrend estate. Mrs. Behrend said, "It seems as if the buildings have almost erupted overnight." With pleasure, she also noted the

spirit of the Behrend students, and viewed this as a very important asset of a college community.

Presiding over the dedication was Director of Behrend Campus Irvin H. Kochel. The Invocation and Benediction were offered by the Very Reverend Frederic R. Murray, Dean at the Cathedral of St. Paul.

A reception was held following the dedication in Dobbins Hall, the new Food and Housing Service Building. The reception was the first utilization of the new dining hall area which will open Sunday, November 14.

## PSU Plans All U Day Events; 3,000 Expected To Attend

by Cheryl Keller  
APS Managing Editor

A Penn State annual event, All-University Day will be held Saturday, November 13 at University Park. Sponsored by the Arch Chapter of the Keystone Society, the day-long event is designed to bring Commonwealth Campus students together at University Park and acquaint them with the University. Approximately 3,000 students from 19 campuses are all expected to attend the event which includes a home football game with North Carolina State, a banner awards contest, a jammy, and a concert.

Arch Chapter President Brenda Stern said that "changes have been made for this year, the biggest one being the 'Spirit Award' which should evoke plenty of enthusiasm."

Spirit Award

The "Spirit Award" consists of four parts: the banner contest, a push-up contest, a cheering contest, and attendance. The banner contest, last year won by the Worthington Scranton Campus, will be open to all campuses. Entries will be displayed in the Findley Union Building (FUB) rec room and will be judged for "artistry, originality, and relevance to the theme 'Come Together' " at 11:30 a.m.

Taking place during the football game will be the push-up contest, led by the Penn State Nittany Lion, and the cheering contest, led by University Park cheerleaders.

The campus which excels in all four parts, including the largest attendance, will be presented an award during the jammy at 8:00 p.m.

Students are expected to arrive at East Halls parking lot at 9:30 a.m. where they will be met by members of the Arch Chapter of the Keystone Society. They will

answer any questions and distribute itineraries and copies of the Daily Collegian.

Registration will take place at the FUB rec room from 9:30 a.m. until 11:30 a.m. Representatives of sororities and fraternities will talk to students during open house at participating houses.

All U-Day Itinerary

The football game with North Carolina State will begin at 1:30 p.m. and students are asked to arrive early at Beaver Stadium. Dinner will be served at 4:30 p.m. in the Hetzel Union Building (HUB) ballroom followed by a jammy featuring the Rhythm

Kings". A concert with John Mayall and Crazy Horse at 8:00 p.m. in Rec Hall will bring to a close All-U-Day activities.

No arrangements have been made for overnight guests, according to Keystone Society President Brenda Stern, and anyone wishing to stay overnight should make his own arrangements.

Miss Stern noted that "Past All-U-Day's have been very successful, and this year's should be especially so, with the 'Spirit Award.' Our goal is to bring as many members of the University together as possible and to really be "one Penn State for one day."

## SGA Screens 22; Senate Set To Roll

by Kathy Baker  
Collegian Reporter

The Student Government Association received 22 applications from students who wish to act on the Faculty Senate. A committee of five people who are selected from SGA will screen the applicants and choose 15 from the 22. This new embodiment of the Faculty Senate is extremely important to our student welfare. It will prove to be an aid to the Faculty Organization because of the fact that the Faculty Senate will receive some helpful advise about administering Behrend Campus from a student's point of view. SGA hopes that this provision of student input will be successful, so they will follow some very careful screening of the applications.

Improved Publications

The SGA discussed ways in which to increase publication of important activities during its meeting Wednesday, November 3. It was suggested that there be a separate bulletin board for information of activities taking place at Behrend and in the Erie vicinity. It was also suggested that the Radio Club, which apparently does not have an existence of a radio station due to lack of finances, could possibly raise funds by selling advertising to Erie merchants for their future radio station. If the fund-raising drive were successful, then the radio station (when established) could serve as an excellent means of communication to all students of Behrend and students of other schools in the Erie area by broadcasting all activities.

Daily Bulletin

Two other suggestions were made—one was that a "daily bulletin" could be printed and inserted into individual mailboxes. The only concern would be to find time and money to accomplish such a project. Another idea was that the SUNSHINE AURORA, an underground Erie paper, should be made available at the Reed Union Building desk. It was stated that school activities will be published in the Behrend Collegian every week from now on. Students reported that there is a dissatisfaction of the Behrend social life and that old saying "there's nothing to do!" has come to life too often. The cause of this is due to unawareness of any social activity and opportunities offered here.

Social Opportunities

Jon Ims will present a concert in Erie supported by both Gannon and Behrend as a joint agreement to raise money for the Pakistani refugees.

The Road Rallye that took place Halloween Weekend was reported a success by the Student Union Board. Their future plans are to sponsor a folksinger named Barry Drake on November 29 from 9-12. Further publicity will be continued.

It was announced that Julian Bond will speak on Racism at Gannon Auditorium on Sunday, November 14 at 8:30 p.m. This was to be publicized as soon as possible.

All SGA meetings are now open to any student. They take place in the seminar room at 7:30 p.m. on Wednesdays.

WINTER  
REGISTRATION  
SCHEDULE  
PAGE 3

## BSU Schedules Film Festival

The Black Student Union will be sponsoring a "Black Film Festival" on November 16, 17 and 18 in the Reed Union Building. The schedule is as follows: November 17 - 7:00 p.m. "Our Country Too", "Mister Charlie You've Made the Night Too Long"; November 18 - 7:00 p.m. "Still A Brother"; November 19 - 7:00 p.m. "Black World."

President, Deborah Lomax cordially invites all to attend.
