Game of Frisbee: Fun for Everyone

by Pam Babcock Sports Writer

When you can't think of anything else to talk about, you can always talk about the weather, right? Right So... This weather we've been having - snow one week and springtime the next - can do incredible things to a person's mind. I was practically prepared to content myself with thoughts of skiing and "fire-siding it" when the sun decided to come back and claim the world (well... Erie, anyway.) I guess I got a little carried away. The unexpected warmth forced me to go out and enjoy possibly the greatest sport ever - Frisbee.

Frisbee is the one sport anyone can play at almost anytime and anywhere. Frisbee is freedom, joy and pure, unadulterated silliness all wrapped up in an oversized McDonald's Happy Kid. Frisbee players seem to lose all inhibitions when they come in

contact with the plastic power... or maybe its just the inhibitions weren't there to begin with.

There are two correct Frisbee throwing positions: (1) Frisbee is held at the side and released with a snap of the wrist and (2) the Frisbee holding arm is snuggled close to the body and then swing out recklessly to the sky. Actually, a person can throw Frisbee anyway he wants to; and no one really cares whether it's the correct way or not. The idea of Frisbee is not how you play the game and definitely not whether you win or lose... the idea is that you PLAY.

Most sports have so many rules and regulations that the idea of fun is never considered. While Frisbee may never make the Olympics or become one of the "sophisticated" sports, it's still tops in my book because its purpose is pure enjoyment in playing with others... which, when you think about it, isn't so bad after all.

The Behrend wrestling team will officially open their 1971-72 campaign this Friday at 7:30 p.m. by participating in the Edinboro J.V. Invitational Tournament at the McComb Gym at Edinboro State College.

This eight team tournament will feature entries from Behrend, Edinboro J.V., Ashland J.V., John Carroll J.V., Cuyahoga Met. and West, Lorrain Lakeland and Jamestown Community College. Behrend wrestlers haven't taken any first place honors in this tourney in two years.

The grapplers hope to rectify that matter this weekend.

Julio DiMarco (118 LB) and Paul Jazenski (177 LB) have been doing quite well for Coach Ed Onorato.

"These two impressed me greatly at a recent four-team scrimmage at Allegheny. These boys were the only ones to win both their matches."

The remainder of this years squad that will make their debut are: Mike Kurr (126LB), Bob Newcomb (134), Larry Farbrizi (142LB), John Hotchkiss (150LB), Ted Ward (158LB), John Clancy (167 LB), Tom Staszewski (190 LB), and Mike Deeb (heavyweight).

John Clancy is listed above as wrestling in the 167 LB class, but

as of Tuesday, He hasn't lost enough weight. John started the season off weighing over 200 LBS. and he is currently down in the 170's. So keep Clancy away from the cafeteria.

The problem of depth hit Coach Onorato once again as Tom Tillman will be out of action for a month with a broken finger, thus cutting the squad to a bare minimum of ten.

The grapplers recently scrimmaged Lakeland Community College and a major problem became apparent - size. From lightweight to middleweight we are not as big, man for man, as most schools. This problem developed because of our lack of depth.

The wrestling season should be interesting and exciting. So if you get the chance get out to Edinboro Friday at 7:30 p.m. and Saturday at 10:00 a.m. and 3:00 p.m. and cheer the boys on.

If you go on Saturday at 3:00, you still have plenty of time to get back to Behrend and catch the basketball home opener at 8:00 p.m.

Coaches Corner

Wrestling Coach Ed Onorato would like a group of students to help with mats before each home wrestling match. This will only take five minutes of your time and interested students should see Mr. Onorato at Erie Hall.

Roger Sweeting, basketball coach, would like to initiate a new program to increase student support at away basketball games. On the team bus there are approximately 20 empty seats to basketball games played away. Booster Club members are allowed to travel with the team free of charge. For further information see Coach Sweeting at Erie Hall.
