Varied Topics at S.G.A.

At the recent S.G.A. meeting discussion dwelt on such varied topics as dorm meetings to be held this week, problems of registration, and teacher evaluation. The Student Government Association will also sponsor Arden Rogers, an Erieite who is running as a candidate for the presidency this year.

Instructional Media Committee Reviews Tape Course Quality

Commonwealth Campus students and faculty will now have the opportunity to review the quality of tape courses offered at the Commonwealth Campuses, according to Dr. Robert G. Quinn, Dean of Academic Instruction for Commonwealth Campuses.

Quinn said that the purpose of a committee on instructional media would be to help monitor and supervise the production of television and other media courses offered at the campuses. "But we're not restricting ourselves to video tape; we're thinking of various instructional media."

Dissatisfaction with video tapes became first evident on a serious scale during University President John W. Oswald's visit to the Worthington Scranton Campus last Spring. Quinn then talked to the assistant deans for resident instruction from the various campuses and consulted student surveys.

The committee will be comprised of three facets of the University—professional production staff, faculty and students

New Officers For Circle K

The Behrend Circle K Club has elected new officers for the winter term. The new president is Ed Neuburger (2-AG-Fairview) and vice-president is Jim Raffetto (6-Ed.-Bellefonte). The secretary's position is filled by Steve Geibel (5-LEC.-Bradford) while the treasurer is Craig Johnson (5-Cl.En.-Titusville.)

During the past few weeks Circle K has been active in various projects around campus. They collected for Multiple Sclerosis, sold plastic meal ticket coverings and are selling popcorn at the movies every Sunday night. The club is planning to participate in community services and volunteer work in the near future. Meetings are every Wednesday night at 8 p.m. in the Quiet Lounge of the RUB for all those interested.

from the campuses and the processor who is the main course lecturer.

After the video tape is prepared, it will be sent to one Commonwealth Campus where student and faculty will assess it, and if necessary, send it back. The end objective, according to Quinn, is "all first-class tape courses."

Quinn, an ex-officio member of the committee, has appointed Dr. L.P. Greenhill, Assistant Vice President for Instructional Services, as chairman. In addition, the assistant directors for resident instruction will probably supervise the local campus participation.

The Scranton Campus will probably be the first campus to review a tape course, when the filming of the Geological Science 20 is completed.

"It will require a lot of work on the part of the students" said Quinn. "In effect, they will be going through the course to review it."

Quinn also said he feels op-

Students whose ID pictures were taken this summer may pick them up from the audio-visual department. Pictures taken this past term are not available yet.

Opportunity for Students To Register for Primaries

For the first time in history Pennsylvania has a Presidential primary. This primary, along with local primaries will take place on April 25, and it is extremely important that we exercise this right, and vote on April 25. No voter registration will take place at Behrend, but there are opportunities for students to register. K-Mart East, at Buffalo and Nagle roads will be the site of a voter registration this Friday, February 18, from 2 p.m. until 8 p.m. A person can also register any weekday, 8:30 a.m. until 5 p.m., until March 6 at the Erie County Courthouse, just west of Peach street on 6th street.

If you have already registered to vote in your hometown, and want an absentee ballot, then write immediately to your local county courthouse and request that they send you an absentee ballot. You should request this ballot because it may not be sent to you otherwise.

If you have already registered

in your hometown, yet want to vote in Erie County, then you must cancel your registration in your hometown. This can be done by immediately sending a letter to your local county courthouse stating that you wish to cancel your registration and switch to Erie County. It is imperative that this be done soon because a person cannot register in Erie County until he has cancelled any

previous registrations in another county.

If you have any further questions, contact the Erie County Courthouse at 456-8851, and ask for the Voter Registration Office.

This is a chance for us to be heard, and we must make the effort to make this primary a primary of the people—us!

Rogers Speaks On Presidency

Arden Rogers, recently declared candidate for President of the United States, will speak at Behrend on Wednesday, February 23. Rogers, from nearby Fairview, will speak at 9:45 in the RUB Lecture Hall. The Student Government Association is sponsoring Rogers in an attempt to arouse interest in Behrend students in the Presidential campaign which will take place this year.

Rogers, a photo engraver at Kim Kraft Business Forms, believes that the government today is insensitive to the people. He traveled to Washington, D.C., on October 4, 1971, where he delivered an open letter to 700 officials, which included the President and every senator and representative in Congress. But none of these 700 officials agreed to talk to Rogers personally. So, out of frustration, Rogers has decided to run for the nation's highest office in hopes of making himself heard.

Rogers promises to stage a completely different campaign than that of any other candidate. He claims that he will not make concessions to cliques and lobbies.

Some of the issues on his platform are:

- institution of a national primary instead of the present convention system of nomination candidates for the presidency
- ending the Congressional seniority system
- raising the import tax to stimulate business
- withdrawal of American NATO troops from Europe

Even though Rogers realizes he has little chance of winning the election, he refuses to give up.

"I'm not a politician—I'm just people," he says, "and I may lose this battle but I still might win the war."

SUB Sponsors Road Rallye

The Student Union Board will sponsor a Winter Road Rallye, February 20, at 2 p.m. from Erie Hall. Price of admission is \$2 with an activity card and \$1.25 without. The above price also includes the navigator. Additional observers are 25c per person. Trophies will be presented to the winners. All entries will receive dash plaques. Registration will take place at 1 p.m. Sunday. Enter at the RUB desk now!

Duo Performs This Weekend

Kathy Flaherty and Jonathan Hatch headline the coffee house to be presented this Thursday, Friday, and Saturday night by the Student Union Board. The coffee house will begin at 9 p.m. in the RUB dining room. Admission is 50c with activity card and 75c without.

Kathy Flaherty is 21 years old, and has been playing guitar since she was twelve. Hootenannies and folk rallies were among her first performances, until she dropped out at college and began traveling around the country with friends, singing throughout the midwest and south.

Jonathan Hatch played as a teenager and belonged to a street corner singing group in New York City. He and two friends released two singles under the name "The Other Voices." After about a year, Jonathan grew dissatisfied and left the group.

They met one day in Central Park and spent the day singing in a row boat on the lake. Since then they have sung at almost every coffee house and cafe in the city, as well as a great number of schools on the Coffee House Circuit.

Duo to Perform

Kathy Flaherty and Jonathan Hatch, both veteran performers of the Coffee House Circuit and the New York cafes and coffee houses, will perform at Behrend this Thursday, Friday and Saturday. Both Jonathan and Kathy have a musical heritage extending back to their youths which includes street corner groups and folk rallies.
