Friday night April 28, at 8 p.m., Allegheny College will present one of America's premier rock groups, the Byrds, in concert.

Until the Byrds, the very notion of a group of folk singers strengthening their sound with rock devices was unthinkable. The most important thing the Byrds ever did was to recognize that rock could revitalize folk.

The Concert is at the Campus Center Auditorium, Allegheny College in Meadville, Pa. Tickets are \$4, and are available at the Reed Student Union Desk. Allegheny College is a short thirty minute ride from Erie. Just go down Interstate 79 to the Meadville exit.

Now Available RA Applications

Applications are now being accepted for Resident Assistants during the 1972 - 73 academic year. Applications must be submitted before April 28, 1972. After submitting an application the candidate meets with Mr. Daniel Fiorentino who will explain the duties and responsibilities of the position. The candidate will then have an interview with Assistant Dean of Student Affairs, Betty Seanor. This interview will be used to screen the applicants concerning their qualifications. The candidate will then meet with Mr. Ernest E. Fryer who will test the applicants on their ability to give counseling. The appointments will be made by the Office of Student Affairs after evaluating all the information gathered about the applicant. Recommendations by the applicant's house mother and R.A. will also be taken into consideration. Fiorentino stated "The trend in selecting R.A.'s is moving toward selecting older students because statistics prove that they are more capable." After the selection of the candidates they will be given an intense course in First Aid and counseling. This course will enable the Resident Assistant to deal with individual situations such as home sickness and problems in studies.

Daniel Fiorentino, Resident Coordinator, has submitted his resignation as of June 30, 1972. As of today Fiorentino has no plans for the future but he would like to teach mathematics to younger students.
