Herb Lauffer, tennis coach, commented that the team played well in the match against Ashtabula. It was a close match, being tied at 3-3 after singles. of the toughest teams on the schedule, beating Behrend 5-4 last year. Another important home match will be against Cuyahoga-Metro on May 2.

Some of the best tennis of the area can be seen during the regional tournament to be held at Behrend on May 18, 19 and 20. The best players of this region will then go to the National Junior College Athletic Associational National Tournament.

This year's team includes starters Bob McPherson, Jay Baker, Joe Shevchik, Jim Lyons, Jim Higgins, and Al Lopus. Other members include Jay Kossler, Bob Baginski, Bob Hicks, Rick Byerly, and John Long. Jim Kyle was also a member before being forced to retire because of injuries. One reason for the early success has been because of the good turnout of freshmen. Three freshmen have broken into the starting line-up; they include McPherson, Shevchik and McPherson, Higgins.

In their first home match, team and these freshmen have helped out tremendously. Depth has been lacking in the teams of recent years.

Coach Lauffer is very op-timistic about this season and is of New York. This is perhaps one performance thus far this season. Behrend vs Astabula
