Linksters Deserve Better Rating Than Record Shows

by Tim Everett Sports Reporter

"The team deserves a better fate than a four and three record." That is what coach Robert Monahan had to say about his golf team's season so far this year. He went on to say that the team was in some close matches but just couldn't pull them out. The team lost two tight contests to Lakeland Community College, a very tough competitor. They also lost to Cayahoga Community College Metro from Cleveland. They did win matches from Ashtabula-Kent State, Erie County Community College, and Shenango Valley Campus of PSU. They also placed a decent fifth out of eleven teams competing in the NICAA Pagin VIV. the NJCAA Region XIX Tournament held in New Jersey. Coach Monahan felt that the team could have placed second or at least third because there were only six strokes between second and fifth place.

The team has one more match left. They will compete on June 3 in the Pennsylvania State University Commonwealth Campus Golf Tournament. They also competed this past Tuesday in a quadrangular match with McKeesport Campus PSU, DuBois Campus PSU, and Ashtabula-Kent State.

The team itself is a highly talented group of individuals. The number one man is Dale Cake who is said to have the longest

drives in Behrend golf history. In high school, he finished tenth in his state's high school tournament. He is said to have the most potential on the team although he is a little bit disappointed with his play this year. Coach Monahan says however, that he is playing good golf.

Number two man is Jeff Mansfield. He had the best score in the New Jersey Tournament. Coach Monahan calls Jeff his "best performer" on the course. Larry Garther is the man on the golf team. He is a steady per-former and is an asset to the team. Steven Anlgrem was the number one man last year, but despite his slump this year, he is still a valuable member of the team. He is a bit inconsistent but still can come up with a big one when needed. The fifth man is Joe

Engerski. Coach Monahan jokingly said that he was providing "yoeman service." Seriously, Joe has had his ups and downs this season but he holds the second highest score this year. If he can keep the balls from getting stuck up in a tree, he will do all right. Art Smith and John Satysher are the alternates for the team.

Overall, the team might have done better but that is the way the game of golf goes. They do have a good chance of copping this year's commonwealth campus tourney and their season in glory. We on the sports staff wish the best of luck to the Gold team. The team doesn't get the glory as other Behrend teams, but they still deserve a lot of credit and support of the entire student

Netters Serve Defeat To Hapless Ashtabula

Behrend's tennis team extended their season record to eight wins to only one defeat by beating Ashtabula-Kent by the score of 6-3 Tuesday. This was the second contest between the two schools this year. Behrend had beaten them previously by the identical score of 6-3 in the first match of the season. For Behrend, singles victories went to wich nerson, Snevcnik, Lyons and Lopus while both Baker and Higgins lost close three set matches in their singles deavors.

It was the last home match for the netters, but there will be two more important matches this week with Beaver-PSU on Thursday and Altoona on Saturday. Last year Behrend fell to defeat to both of these schools with Altoona beating Behrend 9-0. After Altoona, the team will travel to the Commonwealth Tennis Tournament at University Park, June 3, concluding the season.

In Tuesday's match against Ashtabula, almost the entire team performed in the match in either singles or doubles. Leading 4-2 after singles, Coach Lauffer
