

Intramural Basketball Bounces At Behrend Campus

Once the weather begins to turn cold, football shoes get put away and sneakers come down from off the rack. No longer is it a game of tramping through the mud under the cool autumn skies, but now it is a contest held under the lights in a warm gymnasium. For now the mood has changed to basketball, and with it Behrend Campus has begun its Intramural Basketball League.

This year's program looks to be one full of excitement and pressure pact upsets. Not only does the league have depth, but every team seems capable of beating each other. The total number of teams for this season is nineteen; ten teams in the dorm leagues and nine in the commuter league. Each team will play nine regular season games.

The contests are scheduled every Tuesday and Thursday night, beginning on Nov. 9 and running through to Jan. 30. The championship game between the winners of the Dorm and Com-muter Leagues will be played on Feb. 1. There is a total of six games a night with the first contest starting at 6:30 a.m. and the last at 10:15, with 45 minutes between scheduled game times.

Last Thursday evening, Intramural Basketball got off to a

wild start. The very first game of the season showed that it should be an exciting year as both teams battled to a tie at the end of regulation time and overtime period had to be played. After the 3 extra minutes were up, Minerva's Minose came out on top 38 to 37 over first floor

Niagra. Ed Doklan paced the way for Minerva with 18 points and Art Smith was high for the losers with 14. The latter also sank a shot at the buzzer to send the game into overtime.

In other games, Super Fly Inc. walloped Seagram's 8, 62-29; the

Horny Dozen Minus Two defeated First Floor Lawrence 43-22; Texas Taters outlasted Matz 21, 61-40; the Genesee Giants rolled over Wative 47-20; and B.A.M.F. humbled the Sugar Daddies 50-17.

The talented trio of Robb Johnson, Roger Nolan, and Bob Britton propelled Super Fly Inc.

over its opponent by scoring 22, 22, and 18 points respectively. This could be by far the team to beat as they used expert ball handling and precision shooting. When they did miss a shot, big Robb Johnson would haul down the rebound and give them a second chance to score.

Mike McCall didn't seem to miss as he canned 18 points in the Genesee Giant victory. He hit from almost everywhere on the court with his excellent jump shot. Mike could be the man to lead his team to the championship. He's a versatile player both offensively and defensively.

This season started out exciting and it should continue to stay that way in the weary winter months ahead. Students are asked to participate by cheering for your favorite team. A little bit of encouragement from the fans could be the momentum to lead a team all the way to the title.

Intramural Team Wins Division

The Bud Brigade, one of Behrend's fine Intramural teams

of the past has won its division in flag football at University Park. The team finished the regular season with a 6-1 record. They now face extreme pressure in the playoffs.

There is a total of 70 teams at

Penn State; ten divisions with seven teams in each. This means Behrend's Bud Brigade is now one of the ten best flag football teams at Penn State. It's also a big plus for Behrend's Intramural Program.
