

WQLN Invites Participation

WQLN-FM has invited the faculty, staff and students of Behrend College to broadcast radio program on subjects and in modes of our choice. Each program will last one hour—although it is possible to break the hour into time segments of varying lengths. The series will begin with the first program we produce and continue until the end of spring term 1974.

WQLN-FM has offered us their fully equipped studios and the services of a technician in order to record our programs.

David Rohland, of WQLN-FM would like to meet at Behrend College with those who are interested in participating in the broadcasts.

If you would like to attend the meeting with Mr. Rohland, please provide the information that is requested on the form at the side. Detach the form and place it in the Studio mail box in the Main Building. Arno Selco or Davis Giersch will contact you about the day, the time, and the place of the meeting.
