In District 18 play

Netters best in history

By Mark Reese **Sports Editor**

The District 18 tennis tournament held in Edinboro this past week was to the Behrend team what Coach Herb Lauffer termed a "disappointment." However, all was not lost; the team placed sixth out of seven teams competing. Westminster and Geneva (who sent only one representative) shared last place with one. match point each. Behrend earned two match points—the best they've done in a District tourney to date.

In the first flight of singles Ron Ross beat his opponent in three sets 5-7, 6-4, 6-3, before being defeated by Edinboro's Martin Sturgess. Second flight man, Ken Buchanan, lost to Randy Beerman, also of Edinboro, by 6-1, 6-2. The third flight match went to Dudley McDonough of Slippery Rock over our Don Fuller 6-2, 6-2. Mark Leonard was eliminated in the fourth flight by Mark Eckendorf of Slippery Rock 6-3, 7-5. The fifth flight saw Norm

Jackson paired against Mercyhurst's Rich Birmingham to be defeated by a 6-0, 6-0 score. In the sixth and final singles flight, George Rossick overcame Behrend's Russ Wise in two sets of 6-2, 6-3. The doubles competition

continued the trend with first flight pair Ross-Buchanan losing to Hakala-Sturgess of Edinboro 6-1, 6-3. Second flight had Leonard-Jackson meeting Bibas-Johnson of Indiana St. and losing 6-2, 6-3. The Fuller-Waxham combo started off the third flight by winning their first match with

Taylor-Neil of Indiana St. in three sets 6-3, 4-6, 6-4, then were defeated by Mercyhurst's Parsons-Daly by a 6-0, 6-1 score.

The tennis team has one more scheduled match of the regular season. They will play against Allegheny College; Coach Lauffer said, "We will have to play excellent tennis to beat Allegheny, but I believe we can do it. Our record stands at 7-4, and if we beat Allegheny it will move to 8-4 giving us a successful season. Also several school records could be broken by a win this week.'

Cub keglers win

The bowling team representing Behrend in competition with all district champs in University Park last weekend won. They bowled against Hazleton, bowled against McKeesport, and collected a bye from Piedmont.

Their six-game total was 5,423, with 16-0 in match points. Second was Hazleton with 5,231 and 6-10;

Gals softball squad finishes successful year

By Mike Kaveney

The 1975 edition of the Behrend girl's softball team finished its season this past Tuesday. Although they were defeated by Houghton University, the season record for our female sluggers ends at 5-4. The highlights of the season include victories over Mercyhurst, and Gannon twice; once against Allegheny, with the biggest win coming against Gannon by the score of 37-10. Mrs. Wilson's girls also ran across some hard times, especially against Edinboro, to whom they lost twice. The girls displayed a high quality brand of softball all season, and with a good number of returning players should promise another winning season next year.

Open Bowling

Mon. Thru Fri. 10:00 a.m. to 5:00 p.m. Tues. evening 9:00 p.m. to 1:00 a.m. Ph. 899-9855

McKeesport placed third with 4,701 and 2-14 match points.

The team members were Leon Daniels, Joe Warick, Steve Felege, Chris Goddard, and Dave Applebee. The rewards for their efforts are an engraved plaque that will be in the SUB office, and the title of Pennsylvania Commonwealth Campus Champions.

All team members bowled pretty close to their averages. Leon Daniels had the high score of the team with 247; Joe Warick and Steve Felege together had 1,109 for a 185 average.

The team was happy about their accomplishment, and understandably proud. One of the team had this to say, "We think that we've proved that we are strong in competition, we just would like to know why we were not sent to represent Behrend in the recent District 18 Tournament in Edinboro."

send in this letter to your

As a student at Penn State University, I am concerned about the proposed rise in tuition for next year, an expected \$150. Increase in total college expenses for 1975-76 academic year is predicted. This increase will present an ever increasing financial burden on myself and my family. Last year, there was a \$90 tuition increase, and if tuition goes up again, this year, especially with the present economic crisis, it may be difficult for me to complete my education.

Governor Shapp's budget proposal for Penn State is far below the amount requested by my university. If the university doesn't get the money it needs, the students will have to pay the difference, a difference that many of us cannot afford. It would be tragic if even one student is forced to drop out of school because of tuition that is too high in a state-related university. Students' futures are at stake, so I urge you to please vote the necessary funds for Penn State in order to prevent a tuition

Thank you.

Golf season plagued by rain

By Jim Martin Executive Editor

Fore love of warm weather. Yes, students, Behrend does have a golf team, a good one at that. The team average is 81.7.

Opening the golf season this spring old man winter was anything but accommodating. Continuing to toss inclement weather, again the official qualifier was snowed out way back this past April 45, making it two years in succession. Many a hopeful student initially looked forward to playing for the Cub linksters; some twenty-five or so. But sliced with several good returners (Chuck Shamburg, Frank Glenn, Jim Martin, Dave Lehner) and cold winds, rain and snow the enthusiasm was easily depleted among the troops. Not

less than five matches during the see any (anybody but the coaches ensuing campaign were postponed and rescheduled. In fact, of the nine dual, tri, or quad matches played, exactly four of these days, poor weather pelted our golfers on the courses. Who ever said "It never rains on the golf

Coach Onorato and his linksters again enjoyed the pleasant view at the spacious, but challenging, Lakeview Country Club Golf Course just off Interstate 90 outside of North East. During the summer months the course does shorten, being drier, but during the spring months it is not any bit

The parchargers for the '75 Cub campaign consisted of Dave Lehner, Gary Lorei, Chuck Moon, Frank Glenn, Jim Martin, Chuck Shamburg, Kurt Kavano, Jeff Holzenland, John Carneval, Terry Russell, and Gary Ganzel. Earning the most starts while beholding that elusive sweet swing and tempo were nonhackers Dave Lehner (scoring average 78.6), Gary Lorei (80.8), Chuck Moon (80.1) and Chuck Shamburg (87.5) each with the entire nine matches played. Chipping in with six starts each were Frank Glenn (87.0) and Gary Ganzel (88.0).

It seems the only real support golfers receive is on the professional level. In the college division, galleries and encouraging fans, one is hard put to

and their respective teams). One magnificent round could have been witnessed by the gallery, if there had been one. Gary Lorei charged to a two under par round. Playing with beautiful weather conditions, Gary tucked the ball close to the pin repeatedly, while firing a college record 70. With Gary leading the parbusters, we blanked Geneva 7-0 that day.

A few other highlights were Lehner's two over par 74, Moon's six over par score, upsetting a strong and determined Gannon six on their home course, pounding Alliance twice, and closing the campaign on a winning stroke by defeating Houghton this past Saturday.

This coming Friday and Saturday the District 18 tour-nament will be played. Traveling to play in the tourney and filling the regulation five spots per team are Lehner, Moon, Lorei, Shamburg, and Glenn. These guys may be playing on the weekend, but they are not "weekend golfers." The ability and potential is within this team to surprise the kingpins and capture a formidable finish. Team determination and selfconfidence is one character owned by these players and the entire team. This will hold these athletes in good stead against our competition. And maybe the Behrend golf team will drive home as Tourney Champions.

Finals Schedule

Classes for the Spring Term 1975 will end officially Wednesday, May 21. Final examinations will be held on Thursday and Friday, May 22 and 23, as scheduled below.

Students are reminded that the final examination is an integral part of the course, and failure to attend could result in the student's failing the entire course, regardless of the quality of the course work submitted before that date. In accordance with Section 0-4 of the Senate Regulations, a student who is absent from a final examination for a cogent reason may have his grade deferred upon the authorization of the Dean of Faculty.

Any student with two or more final examinations at the same time should file a request for a conflict examination at the time and place specified in advance by the instructor for the course. Any student with three or more examinations on the same day may file a similar request, and conflict examinations will be arranged if feasible.
