

Ever notice how it's easier to ace the courses you like?

It finally comes down to commitment.

When you don't like a course, it's hard to excel. The class gets tedious. The texts get boring. The lectures get dreadful. Your work suffers. And so do your grades.

Compare that with the courses you really believe in. You care more. You try more. And without even noticing, you just naturally do better.

It's true in school. It's true outside of school.

For example, we believe there's just one way to brew Busch beer. The natural way. With natural ingredients. Natural carbonation. Natural ageing.

We believe that's the best way to brew a beer.

And when you believe in what you're doing, you just naturally do it better.

Taste a Busch and we think you'll agree.

BUSCH

When you believe in what you're doing,
you just naturally do it better.
