Cubs Socked By Raiders

The Behrend Soccer Team opened up their 1979-80 season with an upset, a 5-0 loss to the Roberts Wesleyan Raiders. The Raiders tallied early by scoring within the first ten minutes of play. Roberts Wesleyan has a very strong and experienced team and the fact that 16 out of our 28 players are freshman, was not to our advantage. The Raiders exerted a great deal of

pressure, causing the losses of many one on one confrontations. They craftily passed the ball to their unmarked men, enabling them many opportunities to score.

"The key now is to concentrate on the present and not the past or the future," says Coach Lauffer. "We're going to take each day as it comes and only worry about the game when it gets here."

Cubs Evaporate Lakers

The Behrend Cubs upped their soccer slate Saturday by defeating Mercyhurst, 3-1. Tony Orlando tallied twice and Mike Oliu once to drop the Lakers.

Tony got the Cubs started with a penalty kick in the first half. Then he made it 2-0 with an assist from Mike. Tony took a corner kick on that one and scored his second goal of the game when the ball glided past a pair of Lakers who collided in front of the net.

Mike closed up the games scoring with a goal assisted by Bob MacZura. The Behrend Cubs out-kicked the losers on shots, 18-14. Behrend now stands at 2-1. The loss dropped the Lakers down to 1-1. The Cubs played to their maximum and turned the game into one hard-fought struggle.

The Cubs take on the Gannon Knights this Wednesday night, 7:30 p.m., at the Erie Stadium.

Girls Volleyball

This year's girls Varsity Volleyball team, coached by Mrs. Jan Wilson, is a string of new attractions. Mary Rose is a returning sophomore. Mary as a setter and co-captain thinks the difference between this year's team and last year's is its lack of experience, she also notes that this team is faster with more team participation.

Other setters for the team are as follows; Carolyn Hammers, who feels that speed is important to a setter, because you must be quick and hit the ball up before it gets below the shoulders. Lee Ann Kalo, who says the duty of a setter is to set the ball up to the spiker, so they can "Kill the opponent." Denise Lipinski says the defensive duty of a setter is, the responsibility of any dunks that come over the net.

The spikers for this year are Sue Mennite a returning sophomore and co-captain. As a co-captain and upper classman, Sue assured that she doesn't get bossie and pull rank out on the court. Karen Pomorski, feels that being a part of the team helps to develop confidence and pride whether you win or lose. Sue Wilkinson feels a two foot take off is important to a spiker. A two foot is when you jump up with two

feet to spike the ball. The reason for the two feet is so you won't fall into the net. Kerry Gausman feels height is important as a spiker, because she is not able to jump too high.

Diane Bradshaw thinks speed is essential, because you have to be able to out with the opponent. Barara Laskairs says if a mistake is made out on the court the team doesn't get mad, they just see the mistake and try to help you out. Natalie Kuhn says the duty of a spiker is also the responsibility of getting the third hit over the net. Molly Heidecker who is learning to play the spiking position agrees that this team is faster than last years.

This years team has the speed and height and should lead them to a season of victories. When asked to compare this team to last years, Coach Wilson summed it up by saying, "This years team has more depth, speed a stronger bands of sport smanship."

The team has yet to play season game. They have howeve played two scrimmages, on against Villa Maria and on against Kent, State, they wo both games. Their first game wa on September 25, but informatio was not available at this time.
