## Academic Majors: The Colleges of the University

Undergraduate resident instruction programs are carried out by the ten colleges of the University and the Division of Undergraduate Studies. When students are admitted to baccalaureate degree programs,

they are given "common year" majors corresponding to their college of enrollment, e.g., Liberal Arts, Science, etc. Associate degree students are assigned directly to the programs to which they were admitted, and

this becomes the major designation, e.g., 2 EET, etc. Following is a list of college representatives and program advisors on campus who can provide information about programs of study in their respective areas.

## Alma Mater

For the glory of old State,  
for the founders strong and great,  
For the future that we wait,  
Raise the song, raise the song.

Sing our love and loyalty,  
Sing our hopes that, bright and free  
Rest, O Mother dear, with thee.  
All with thee, all with thee.

When we stood at childhood's gate,  
Shapeless in the hands of fate,  
Thou didst mold us, dear old State.  
Dear old State, dear old State.

May no act of ours bring shame  
To one heart that loves thy name,  
Many our lives but swell thy fame,  
Dear old State, dear old State.
