## "Excellence In Teaching" Award

In 1969, the Penn State-Behrend Council of Fellows established an "Excellence In Teaching" award to annually recognize that faculty member who in the opinion of students and colleagues most truly fills the role of an inspired and committed instructor - an instructor whose teaching and working with students is characterized by excellence.

The recipient of the award, selected from among faculty members nominated by students, chartered student organizations, faculty, or staff, is recognized at Awards Convocation each Spring and receives a plaque and a check for \$250 from the Council of Fellows.
