

Athletics At Penn State-Behrend Varsity Competition

Penn State-Behrend fields eight varsity teams, four for men and four for women. Men's varsity sports and coaches are: Soccer - Herb Lauffer; Basketball - James Sims; Baseball - Joe Spinelli; and Tennis - Kent Peightal. Women's varsity teams and coaches are: Volleyball - Janet Wilson; Tennis - Kent Peightal; Basketball - Ellen Johns; and Softball - Janet Wilson.

Penn State-Behrend is a member of District No. 18 of the National Association of Intercollegiate Athletics (NAIA),

which governs men's varsity competition, and a member of the National Association of Intercollegiate Athletics for Women (NAIAW). Behrend also holds membership in the Western Pennsylvania Intercollegiate Soccer Conference, and the Women's Keystone Conference, both of which are comprised of nearby colleges. Student-athletes may qualify for post-season competition and honors through these organizations up through and including national championships.

To be eligible for varsity competition, freshmen must be full-

time students (8 credits or more) enrolled in a degree program; provisional students are not eligible. Students must pass a minimum of 8 credits the first term, and at least 24 credits each academic year to remain eligible. Teams are coached by members of the Physical Education Department, located in Erie Hall. Candidates for any varsity team are urged to contact the coach, or the Athletic Director, Herb Lauffer, early in the academic year for more information.

The above has been adopted as the official logo by the Penn State-Behrend Athlete teams. It was designed over the summer to compliment the Cub mascot introduced last year with the help of SGA.

Intramural/Recreational Sports

Intramural/Recreational activities are held throughout the year at Penn State-Behrend. These sporting activities provide students (men and women), faculty and staff an opportunity to develop new skills as well as remain physically active. Penn State-Behrend's intramural activities are competitive, yet the

elements of fun and recreation are never lost.

Recreational events such as outdoor basketball and two-on-two basketball are sponsored by the Intramural Office to provide students with an activity of their own choosing. A Student Recreational Council will be formed this

Fall to allow student participation in the evaluation of present activities and the implementation of new events. If you wish to become a part of this council or obtain additional information about Intramurals, contact Duane Crider, Room 2, Erie Hall, or call him at 896-1511, ext. 302.
