To be eligible for varsity competition, freshmen must be full time students enrolled in a degree program (12 credits or more); provisional students are not eligible. Student athletes must pass a minimum of 12 credits the first semester, and at least 24 credits each academic year to remain eligible. Intramural-Recreational Activities

Intramural-Recreational activities are held throughout the year at Penn State-Behrend. These sporting activities provide students (men and women), faculty and staff an opportunity to develop new skills as well as remain physically active. Penn State-Behrend's intramural activities are competitive, yet the elements of fun and recreation are rarely lost.

Recreational events such as co-ed volleyball, and two-by-two basketball are sponsored by the Intramural Office to provide students with an activity of their own choosing. A Student Recreational Council will be formed this Fall to allow student participation in the evaluation of present activities and the implementation of new events. If you wish to become a part of this council or obtain additional information about Intramurals, contact Duane Crider, Room 2, Erie Hall, or call him at 898-1511, ext. 302.
