Behrend To Host Fashion Show

By Phylant Robertson

Theta Phi Alpha will be sponsoring a Spring Fashion Show at Behrend on Thursday, April 26, according to sorority President Viva MacDougall.

"We'll be doing three sets," said Viva. "There will be casual, swimwear and sportswear, and evening presentations."

Vicki Lampe, an administrative secretary in the admissions office, will be the fashion show co-ordinator.

"Basically, my job entails

directing the production and supplying the models, who have been professionally trained in 'runway modeling' through my Chequer Modeling Course," said Vicki. "They have also been taught fashion, make-up, and photography techniques."

Vicki feels that the show will be an "excellent opportunity for women and men at Behrend to learn about spring fashions, 1984."

"I'm very happy to be working with Theta Phi Alpha," she said.

Models for the presentation include Cheryl Musgrave, Karen Bates, Laurie Lydick, Tony Petrone, Viva MacDougall, and Joanna Liggett.

President MacDougall believes the show "will be an excellent opportunity to make Behrend women aware of our existence. We feel that the sorority has a lot to offer the Behrend Community."

Showtime is at 7:15 in the Reed Lecture Hall. Admission is \$1, and refreshments will be served.

Focus: On Jobs In '84

by Marge Tomczak

The Job and Placement Office is going to present a two and a half hour program to help juniors and seniors FOCUS on the necessity of preparing early for jobs upon graduation. This program is unlike any other that has been presented at Behrend. There will be large group presentations, small group workshops, and individual advising going on concurrently.

There are three goals being attempted by the Job and Placement Office with their presentation of FOCUS. First, they want to make students realize that to get a good job, they have to start early. Secondly, they hope that students realize their strengths of academic life and what makes those strengths a marketable commodity. What have they done at Behrend and what does Behrend have that other colleges do not have? Lastly, it is their intention to establish a resource network with the alumni. With the help of former graduates, more information can be provided to aid up-

coming graduates in preparing for employment.

Faculty, alumni, and staff are combining their efforts to address areas such as graduate schools, resume critiques, types and advantages of internships. There will also be representatives to discuss career options of history, political science, communication, and

behavioral science majors, to name a few. There will also be an information corner with literature representing other disciplines.

FOCUS is geared to juniors and seniors, but everyone is welcome to attend on April 24, from 6:30 to 9:00 p.m. in the Reed Union Building.

Toth To Award Scholarships

by Marge Tomczak

All non-traditional students are eligible to apply for scholarships to be awarded by the Top Of The Hill Club. TOTH is establishing a scholarship fund beginning in 1984 which will continue through their fund raising efforts in subsequent years.

This year, TOTH is very proud to announce that they are going to award five scholarships at one hundred dollars each at the Honors and Awards Convocation on Sunday, May 6, 1984. The applications can be picked up at the Financial Aid office located in the

administration building and must be returned to that office by April 23, 1984. All non-traditional students, (which are usually identified as those returning adult students over the age of 25 who have been graduated from high school five or more years before enrolling in college) are encouraged to apply.

Winners will be chosen by a selection committee made up of faculty and a student representative.

Do not delay, time is of the essence.

Election Results Announced

About 300 votes were cast in the elections for various positions within the Student Government Association of Penn State-Behrend, on April 3 and 4. 1800 students were eligible to vote.

The results were as follows:

SGA President	Dann Johns
SGA Vice President	Doug Gerow
JRC President	Thomas L. Safem
JRC Vice President	Beata Silverberg
Commuter Council President	Arden Jizmajian
Commuter Council Vice President	Alex Primas
Resident Senators	Daniel Pontzer James Zaczekiewicz
Commuter Senators	Tim F. Carley Michael R. Kitchen Derrick Landers Barbara Jo Wetmore

Saltzman Analyzes Year-Long SGA Tenure

by Phylant Robertson

"I think I represented the students of Behrend well, their needs and expressions, to both the Administration and the Faculty Council," said outgoing Student Government Association President Doug Saltzman, in a recent Collegian interview. Saltzman did not seek re-election to the SGA position.

"I'm glad that I was able to work well with the new Senatorial positions developed by (former SGA President) Ed McCloskey," said Saltzman.

Assessing his performance, Saltzman feels that the major accomplishment of his administration was "initiating the drive to

organize the student government. We've put a bit more professionalism into it, something which was previously lacking in part. And I think that the new constitution we ratified was the most important factor of this re-organization."

"Another significant accomplishment," he continued, "one that most students won't be aware of, is that it's now very likely that Behrend will soon have a representative on the Faculty Senate of University Park. This is a tremendous step for our campus."

Saltzman also points to the large part the SGA played in securing major grants for Behrend. "We'll be able to have

new lighting for the Reed Lecture Hall, and we're getting a large screen TV for the RUB lounge, which should help improve conditions for commuters. We were also able, through grants, to get significant amounts of money for the Yearbook," he said. "I was really happy to see that get going again."

"We also played an instrumental role in setting up the first SGA area conference," Saltzman said. "Having the opportunity to meet with other student governments can only be helpful."

Discussing the recent Student Government Association elections, said "I think Dan Johns (the newly elected SGA President) will have a good base to work

from next year. I have confidence in him, and in his vice-president, Doug Gerow, who has extensive knowledge of student government."

"Doug and I collaborated well last year," continued Saltzman. "He was one of the hardest workers in the SGA. I'm sure he'll do an excellent job next year, too."

Addressing his future plans, Saltzman said he's "looking forward to working with the new student government. I'll be doing committee work, and I'll be working closely with Dan."

"Overall," he said, "I'm very happy with what's been accomplished."
