### \$20,000 Scholarships:

### The Fast Track To Responsibility.

Two-year NROTC scholarships are one way to get early responsibility as a Navy officer. This highly competitive program offers tuition and other financial benefits worth as much as \$20,000 to qualified sophomores.

All of these benefits are provided for one purpose: to educate and train qualified young men and women to serve as commissioned officers in the Navy. In fact, NROTC Scholarships are the largest source of regular Navy officers.

During college, the Navy pays tuition, cost of textbooks, instructional fees, and an allowance of \$100 a month for up to 20 months during your last two years of college. Upon graduation and completion of requirements, you become a Navy officer, with important decision-making responsibilities.

Call your Navy representative for more information on this challenging program.
