Ott Receives All-American

by Rob Roth
Collegian Contributing Writer

Kathy Ott, captain of the Behrend Women's Volleyball Team, was one of 30 women selected nationwide as an Academic All-American. The selection was based on Kathy's

outstanding academic performance in her major (Mathematical Studies) as well as her outstanding statistics from the 1984 volleyball season. The selection process was indeed tough, as hundreds of women were nominated by coaches throughout

the United States, including Hawaii and Alaska.

Kathy, a senior at Behrend, led the District 18 Champion Cubs in kills and was second on the team in saves; her outstanding back-court play and serving was an important aspect in the team's success. She has been the captain of the team for the past two years and during each of these years, she has made the NAIA district first team. In the past she has also made the All-American Team for softball and during the last two years was voted the Behrend Female Athlete of the Year.

Also receiving honors were Renee Harrison, first team volleyball player, Mary Toboz, NAIA second team volleyball player and Volleyball Coach Jan Wilson.

For those of you who were unable to see Kathy in volleyball action, she now brings her talents to the basketball court for the 1984 Behrend Women's Basketball team.

Women's Volleyball Team Captain Kathy Ott was chosen as an academic All-American.

Get Back in Shape

by Mark Yeager
Collegian Staff Writer

Have you ever felt like you're getting out of shape? Want to go out and get in a little physical activity without serious competition? Then join the Barbell Club.

The Barbell Club is for anyone who is interested in improving their bodies. Club members are not a bunch of muscle-bound hulks. But, they get to learn about their bodies through a series of talks and workouts.

Club Vice-President Michael Ross explained how members learn about proper diet, warning

signals from your body, how to improve strength and endurance, and how to go through a workout that you can benefit from. The club also sponsors talks from dieticians and professional weightlifters.

Dave Adams, Resident Area Coordinator, sponsors the club which meets the second and fourth Wednesday of each month at 7 p.m. in the Erie Hall classroom.

Currently, the club is working to raise funds for the improvement of the weight room in Erie Hall.
