

the campus club report

Top of The Hill Club

by Karen Koper
Collegian Contributing Writer

The Top of the Hill Club is a support group for "non-traditional" students.

Returning adult students have been out of school for several years, and often have family responsibilities to contend with. Consequently, they have different needs and concerns. T.O.T.H. tries to make the adjustment a little easier by addressing these

special problems.

One of our most important functions is raising money for the T.O.T.H. Scholarship Fund. For the past three years, T.O.T.H. has provided scholarships for deserving Behrend students. We want to thank all of you who supported our annual cider sale this year. All of the proceeds went to the Scholarship Fund.

Everyone is invited to come hear David Stephany, Supervisor

of Plant Personnel at Hamermill, speak on "Career Opportunities and Job Interviews" on Nov. 11 at 6 p.m. in Reed Lecture Hall. This event is co-sponsored by the Human Resource Management Association and the Management Club. There is no charge for admission, and following the speech refreshments will be served. Stephany has a diverse background, so it promises to be an interesting and informative

evening.

T.O.T.H. is also donating a "message board" to students. This board will be placed in the Gorge Cafeteria, and its only purpose will be to provide a space where students can communicate with each other. If a meeting has to be cancelled at the last minute, or if you can't meet someone as planned, this will be the place to leave your message. It should save us all a lot of time and aggrava-

tion. No advertising will be permitted. The club hopes that students will get in the habit of checking the board every day to see if there is a message waiting for them. The board should be in the Gorge soon.

The Top of the Hill Club meets every Wednesday at 12:10 p.m. in Nick 110. All students are welcome, and returning adult students are encouraged to come and see what we're all about.

GARFIELD® by Jim Davis

PENN STATE ALUMNI ASSOCIATION

105 OLD MAIN, UNIVERSITY PARK, PA 16802 (814) 865-6516

and The Behrend College

Welcomes

The 1985 Behrend College Alumni Fellow

Harley A. Cloud '58
(Behrend, 1954)

Director
Engineering, Software, and Technology
IBM Federal Systems Division
Bethesda, Maryland

During his campus visit, this outstanding alumni will lead classes and meet with students and faculty

Don't miss your opportunity to meet him at a public address and award ceremony:

Tuesday, November 19
Reed Lecture Hall
7:30 p.m.

Alumni Fellow Medallion presentation and reception to follow.

The Alumni Fellows program is sponsored by the Alumni Association, Behrend College and the Office of the President.

MIS club

by Heather Van Slyke
Collegian Contributing Writer

On Oct. 24, 1985, a group of 15 students from Behrend's MIS Club visited the General Electric Computer Center.

They were given a tour of the facilities and shown the various hardware components which make up a complex computer system. An explanation of the different types of processing done at G.E. was also given. The students were impressed by the size, speed, and power of such a large corporate system as compared to our university system. After the tour members enjoyed going out for pizza together "on the club."

Future plans for the MIS Club include possibly bringing in some speakers and setting up the Book Sale Co-op which originated last year.

Anyone interested in joining the MIS Club is reminded that our meetings are held every Monday at noon in R-116. All are welcome!

ROTC

by Barrett K. Parker
Collegian Staff Writer

ROTC is on the move.

On Nov. 8, the Behrend ROTC color guard is marching at the Erie Blades Hockey game at the Erie Civic Center. Additionally, the color guard is opening for the Behrend Cubs basketball game

against Carnegie-Mellon at home on Nov. 26.

The Ranger club is conducting a Field Training Exercise Nov. 15-17 at a training site near Wattsburg.

On Nov. 7, the Rifle Club competes against Harborcreek High School.
