

## Behrend Library provides an abundance of entertaining and academic materials

**Behrend College Library**—The *American Heritage Dictionary* defines the word library as "a repository for literary and artistic materials, such as books, periodicals, newspapers, pamphlets, and prints, kept for reading or reference." The *Oxford English Dictionary* prescribes the library to be "a place set apart to contain books for reading, study or reference."

While the Behrend College Library fulfills the definitions above, it provides many services to students and faculty as well. Services include a record collection, record players, a current best sellers' collection, a language lab, a photocopier, typewriters, group study rooms, a quiet study area and a microforms room.

Information may be located by asking one of the

library staff, by accessing the University's on-line computer catalog, LIAS, and through Inter-library Loan (ILL) service.

The Inter-library Loan service allows students and faculty to request books and photocopies of journal articles from the University Park Library. ILL is free of charge.

The library schedule is as follows:

Monday-Thursday	8:00 a.m.-10:00 p.m.
Friday	8:00 a.m.-5:00 p.m.
Saturday	9:00 a.m.-5:00 p.m.
Sunday	2:00 p.m.-10:00 p.m.

Group and individual library tours may be arranged upon request.

LIAS computer terminals are just one way students can find research materials.

## Place a personal!

Behrend students! Got something to say, but nowhere to say it? Well, no more excuses!

**Collegian Personal Ads** are just what you need to let people know precisely what's on your collegiate mind. What better way to say "Happy Birthday", "Let's meet", "Get lost", or "You're sweet!"

Say anything you want for just a dollar per two line message (34 characters per line including spaces).

Slanderous or obscene messages will, of course, be crumpled up and thrown away.

The next **Collegian** deadline is Jan. 31 to be published on Feb. 6, so send your favorite Valentine a message!

To that cute blonde in History 120, I've got my eye on you!

Excuse me! Please keep the tunes down in Room 007.

Dear Betsy, let's study HL ED 046 together.

Salut Jacques! Je vous adore, mais surtout votre accent Francais.

Happy Birthday George! Congrats on finally hitting the big 21.

Um, like, I think you're, uh, like, really neat, you know?

## Cross country skiing cont'd from page 10

Looking for the perfect day you will only ski once or twice. You have to be able to ski in all conditions or you don't get enough skiing in. You have to be flexible and not be bummed out about it.

The great advantage of cross-country skiing is that it is within the grasp of a lot of people. The lack Room rents ski packages to students at reasonable prices and, with some instruction, the trails at Behrend can be a challenging and

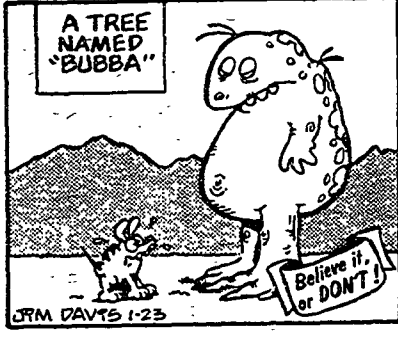

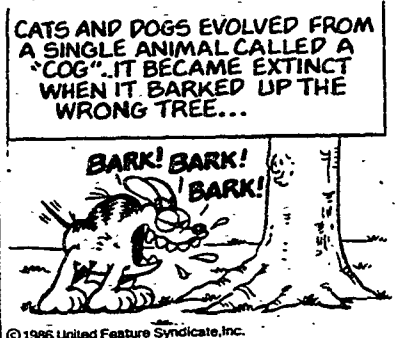

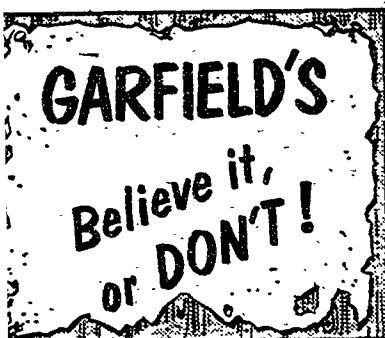

very enjoyable terrain. Take the trails cautiously the first time around in order to discover the particularly challenging spots under control. In other words, look before you ski.

An additional advantage, perhaps the most important here at Behrend, in the words of Walt Horner, is that "it is a good way to get through a Northwestern Pennsylvania winter."
