

New decor in buildings on campus

Behrend & Reed Buildings enhanced by new furniture.

The Reed Union Building and the Behrend Building received a face lift over the Spring Holiday. Contemporary, natural wood couches and tables now enhance Behrend Campus.

The furniture was purchased with a \$15,000 grant from University Park "specifically to buy furniture for the Reed and Behrend Buildings," said Assistant Dean of Student Affairs, Jamie Grimm.

"It was time for some new furniture to dress up buildings a little bit more in hopes that the newer furniture--without any rips--may get a little more respect from the students," Grimm said.

The old furniture was transferred to the Nick Building and some has been but in storage.

Dohn Harshbarger, dean of student affairs, John Ream, direc-

tor of operations, SGA President, Douglas Gerow and Grimm contributed in the furniture selection.

Grimm plans to tap the University fund for "improvements of college atmosphere" to fix the ceiling and paint the game room in the Reed Building and possibly purchase new furniture or recover old furniture for the RUB Desk TV area.

Collegian Contributing Writer

As one of this semester's service projects, Omicron Delta Kappa will be sponsoring an Easter Egg Hunt to benefit Big Brothers/Big Sisters of Erie County. The event will be held Saturday, March 22 in the Gorge Cafeteria from 2:30 to 4:00 p.m.

Big Brothers/Big Sisters have a waiting list of children from single parent families that have not yet been matched with an older "sibling." These children have been invited to spend the afternoon at Behrend with ODK. We're planning an event with games, refreshments, candy and colored eggs.

All ODK members are asked to attend our meeting on March 20 to finalize plans for the event.

"Insight" performs rock-n-roll Easter service

Christian Rock is probably the most talked about musical form in existence today. With groups such as Petra, Stryper, Amy Grant and Mylon Lefever and Broken Heart leading the way, Christian Rock is carving its own niche into the American music scene.

Insight, a local Christian Rock band has been gaining popularity in the Erie and tri-state area. They have played at churches, high schools, colleges and festivals including this past summer's "We Love Erie Days".

They perform music by such groups as Petra, Sweet Comfort Band, U2 and Mylon Lefever as well as their own original material. The band consists of drummer John Gersims, lead guitarist Scott Buseck, bassist Craig Buseck, and keyboardists Dawn Buseck and Dana Dobbs.

Insight will perform at a Rock-n-Roll Easter Service on March 30 at 8 p.m. in the Gorge Cafeteria sponsored by BCCA (Behrend College Christian Association).
