

STUDENT VOICE

Traci Duncan

by Julie Karasinski
Collegian Feature Editor

The time of year has rolled around again when students who are going to University Park as sophomores must decide whether they wish to make the change or remain here. We were curious as to why some people chose to leave while others continued their studies at Behrend. We asked them and got these responses.

Traci Duncan, 4th semester, Administration of Justice—"No, I'm going to University Park this fall

because my major requires it. I think there are more opportunities down at U. P. and you get to meet more students. Behrend is a really small place for extracurricular activities—what they have is good but it's limited. Also it's such a soap opera here but at U. P. everything you do is your own business and nobody knows every little detail about you."

Scott Purcell, 6th semester, Math computer Science—"Yes, I'm staying because my major is here. Really, it's not as bad here as some people think it is. I like the at-

mosphere here, I like the small campus as opposed to the big campus...big campus degree with a small campus atmosphere. I think I'd do better at a small campus than at University Park anyway."

Bernadette Reigel, 4th semester, Elementary Education—"No, I'm not staying at Behrend campus for four years because I have to go there for Elementary Education. But I'd rather stay here because it's smaller, it's close to home, and there are better looking guys here. I don't want to be in a class of 400."

Diana Kircher, 4th semester, Elementary Education—"No, I'm

not staying at Behrend for four years because of my major, but I would rather stay here because my boyfriend lives here. Also, it's cheaper because I commute. But I think it'll be fun down at University Park. I'm looking forward to it. It'll be nice to get away from home, I suppose, be a good experience."

Dana Fletcher, 2nd semester, Biology—"Yes, I'm staying at Behrend for four years because it's close to home, it's a small campus and I like small campuses and I don't like having 500 people in my classes. And it's pretty here."

CPR classes scheduled

As part of Health Awareness Week, a CPR certification course has been planned. The class is designed to teach the basics of cardiopulmonary resuscitation in two

quick classes. The dates for this event are Tuesday, March 31 and Thursday, April 2 from 7-9 p.m. in the Lawrence classroom. Instruction will be provided by

Emergency of Erie at a cost of \$7 per student, payable on the first night of class. To sign up, contact Ed Applegate at 898-6798 or stop in at Police and Safety.
