CAPITOL CAMPUS — Middletown, Pa.

December 8, 1970

MERRY CHRISTMAS from the HEAD SHOP (and other activities)

Speakers for next term was the main topic at the November 23 meeting of the Capitol Campus Head Shop. These speakers will be presented on February 17 and 18 or February 23 and 24. Plans were set in motion also for "Beware Week" and Christmas. Topping off the evening's business were discussions on Hot Line operations and literature for students.

Some of the speakers considered for next term were:

1. Marathon Players—a creative, highly acclaimed group of ex-users who act out situations and relationships involving drug use.
2. Linwood Fielder—of the Harrisburg Mental Health Center.
3. Allan Fox—director of Drug Education Activities (DEA) and a law student at Temple.
4. John Swisher—who holds a research grant from the federal government in the field of drugs and who helped set up DEA at Temple. Swisher is a member of the Penn State faculty in the Education Department.

Next term will also hold in store a surprise week to be known as "Beware Week." Another bit of a surprise was planned, too. Christmas is to be held on December 9 this year complete with a Christmas tree and caroling in the halls.

Plans were made at the meeting to stock the library with some new books on the subject of drugs. These books will be reviewed by Head Shop personnel before their inclusion with the existing literature. Pamphlets and other printings will be made available to students as the Head Shop continues on its Drug Education Program.

It was pointed out at the meeting that the policy involving busts on

CONTRIBUTIONS NEEDED

JAN DEITZLER SCHOLARSHIP FUND

by Tom Hagan

As some students may already know, Jan Deitzler drowned this past summer in the Brownstone Quarry near Middletown. He was to be a senior at Capitol Campus this year.

The following is part of a letter which is being distributed throughout the Campus:

"Jan's death came as a sudden shock to all of us who knew him. In his memory, we want to establish a loan fund which would be available to students on an interest-free basis. Therefore, we ask your help in contributing to the Jan Deitzler Fund. You may send your contributions to the Student Affairs Office, Capitol Campus, or to Dr. Jacob Susskind, W-357."

Many people involved in Capitol Campus, including administrators, faculty, and students, have expressed the desire to see the establishment of scholarships and interest free loans for Capitol Campus students. Most importantly, this would help students from low income families.

With the establishment of the Jan Deitzler Fund, part of the wish for financial aid will be realized. If you would like to participate in the future of Capitol Campus, feel free to contact the above offices. It is certainly a most worthwhile cause.

campus which was released previously to the Capitolist was based on erroneous information. The indications now are that a college official does not have to be present during a raid, and that students can be held responsible to the law whether there is a college official present or not. A Dickinson College official concurs in a letter which was read at the meeting. The Head Shop stands corrected.

FORMAN RESIGNS C.C.S.C.

by Ro Scanlon

At the Social Committee meeting of November 20, Steve Forman, Chairman, told the members of his decision to resign from the office. Within a few days, his resignation was accepted by SGA President Lee Levan.

As the chairmanship of the Social Committee is an appointed office, Forman asked Levan to find another chairman immediately. Forman recommended Al Litwak.

Forman's resignation can be attributed primarily to the C.C.S.C.'s threatened budget cut by the SGA.

The C.C.S.C.'s \$5,000 budget was approved by the SGA in early Nov. However, at the November 18 meeting Senator Len Thompson proposed to reopen budget discussions. The Social Committee's allotment was questioned.

Forman felt the C.C.S.C. needed all of the \$5,000 to plan future activities, and was frustrated by the idea that SGA could recall his budget at any time.

Another complaint that preceded Forman's resignation was that the Social Committee did not involve the community to any great extent. Forman felt that the Social Committee's responsibility is primarily to plan activities for the student body.
