CAPITOL CAMPUS - MIDDLETOWN, PA.

Wednesday, April 14, 1971

## FERTILITY DAY IS COMING !

by Skip Lewis

As it has been in the previous academic years at Capitol Campus, so will it be again...we will have one day more fertile than all the rest. Plans are underway which will coordinate this year's endeavors with last year's accomplishments. All being done in order to give us a more lovely and gracious campus to perceive, since not too many girls have decided to wear "hot pants" up here.

Standing at the helm of this worthwhile endeavor is Chas Marcarelli, a ninth term junior who has already made himself known through the Board of Governors. On deck lending their talents and time are: Sal Paradise, last year's chairman; Lee Levan, SGA President; Lu Ann Berulis, Karen Brenner, Skip Lewis, Charlie Cooper, Peter Dunn, Mr. Bill Campbell, Public Relations; Steve Millman, Student Affairs, and Professor Klain.

Chas and other members of the Fertility Day Committee met with Mr. Harold Stewart, Dauphin County Agricultural

Agent and also employee of PSU, who gave invaluable information on what types of shrubs, flowers, and bushes were available to us, needing "Little or No Maintenance". He also provided tips on their planting and initial care. Now the committee must find a supplier who quotes a reasonable price and who can deliver.

The date is set for April 20, a Tuesday; the faculty has consented to dismiss classes but with a stipulation. A list of participants must be obtained in order to have some basis for a possible dismissal of classes next year. I guess they feel that if no one participates, why bother?

After working hard, there is nothing like playing hard. So, after a day of effort, there will be a picnic-dance held on the recreation field in Meade Heights.

The Fertility Day Committee hopes to see everyone doing his part in what should be a great group effort. More in-depth info will be distributed later. In the meantime, think fertile!

## CARNIVAL

The 3rd Annual Capitol Campus Spring Carnival is slated for May 21st and 22nd at the Olmsted Plaza parking lot.

This is an opportunity for the organizations on campus to raise funds for themselves by sponsoring a booth in the event. The coordinating committee has set April 27th as the deadline for campus organizations to file for the type of booth which they desire. After the 27th, all outside and campus organizations will be given a booth on a first come, first serve basis. Those organizations that wish to participate should contact Dean South in the Student Activities Office or Len Thompson at 944-9751.

This can be a big money-maker because it will draw from the community as well as the campus, since the dates of the carnival correspond with the Plaza's Anniversary Sale.

It's up to the organizations to make this event a success, so let's get moving; there's money to be made.

Len Thompson  
Carnival Chairman

## 1970-71 Travel Exhibit

TRAVELING EXHIBIT—Was displayed in the Student Gallery-Lounge on the first floor.

The Washington Square Outdoor Art Exhibit is on display in the Gallery lounge, room W-107 to W-113. It is the world's largest and most famous outdoor art show ever held or to be held on the sidewalks of Greenwich Village in and around Washington Square.

According to the historical notes, "the New York mayors and other officials have indicated their recognition of and interest in the show as an important contribution to the

cultural life of the City of New York and of the Nation by their participation in various ceremonies and in prize awarding exercises throughout the years and by changing the name of Washington Square to Outdoor Art Show Square for the duration of the exhibit on one occasion."

The display in the lounge, a part of the famous exhibit, will be held weekdays from 8:00 a.m. to 5:00 p.m. ending April 22. It is open to the public.

## F DAY INFO

FERTILITY DAY—Last year, Dr. Ed Racey and the engineers combined their talents to dig a trench in the ravine. Classes are cancelled so everyone can participate.

Date: Tuesday, April 20  
(Rain Date—Thursday, April 22).

Project Time: 9:00 a.m. to 4:00 p.m.

Day's Activities:

a) Landscaping/planting of bushes in front of Church and in front of Wrisberg Halls.

b) Landscaping/planting of bushes in walkway area.

c) Limited plantings in Meade Heights.

d) Planting of grass seed in walkway area and Meade Heights.

e) Clean-up of litter and the like.

f) Completion and placement of massive sculpture in walkway area.

g) Straightening, pruning, and/or restaking of trees planted last year.

h) Check of seedlings from last year.

i) Repainting of steps leading to upper parking lots, Main Building.

Other Related Activities:

a) Picnic dinner in center of Meade Heights at 4:30 p.m.

b) Dance that night (either outdoors or at Student Center)—in conjunction with Social Committee.

## Winter Term Traffic Report

The following information is reported to the campus community in order to avoid any misconception based on rumors.

Number of vehicles registered, 1245; total traffic violation notices issued, 358; total traffic violation appeals filed, 65; total traffic violations excused, 33; number of moving violations issued, 4; number of campus persons stopped for poor driving habits without citations being issued, 67; number of off-campus persons stopped for poor driving habits without citations being issued, 71; number of students who paid fines, 168 and total amount of fines collected, \$216.

## R.A.

## APPLICATIONS AVAILABLE

The Office of Student Affairs has announced the availability of Resident Assistant applications for the 1971-1972 academic year. Applications may be picked up today in the Student Affairs Office. Applications must be completed and returned to the Student Affairs Office before 5:00 p.m., Friday, April 23, 1971, in order to be considered.

Applications will be available up to the closing date, but none will be accepted after the deadline noted above.

Candidates for the Resident Assistant position must be full-time undergraduate or graduate students at the time they apply and during the term of appointment. In addition, candidates must have a cumulative grade point average of at least 2.20 and must maintain this average while serving as a Resident Assistant.

Resident Assistants appointed to serve in Wrisberg and Church Hall receive a fee reduction of \$410 per term. Meade Heights R.A.'s receive a \$310 per term fee reduction.

Additional information about the position is contained with the application material. Of particular importance, however, is the fact that interviews and recommendations for appointment will be made by a selection committee composed of seven students, two members of the Student Affairs Staff, and a member of the Counseling Center Staff. This is intended to assure significant student input in the decisions.

## SUMMER INTERNSHIPS AVAILABLE

Students interested in practical experience in the field of mental disabilities are invited to contact the Dauphin County Mental Health/Mental Retardation Office. The intern project, initiated last June, has provided a testing ground for students as they consider human service careers while at the same time supplying community agencies with capable manpower.

Work opportunities for the summer are available in social, health and welfare agencies, day care programs, sheltered workshops, mental health programs and summer camps. Students are employed full time for a 10 week period beginning June 14th.

Students will be selected according to interests, personal motivation and previous experience. Priority will be given to county residents. For non-resident students, who might be interested, room and board are provided at a few of the summer camps. During the academic year, course credit is connected through the Independent Studies, Procticum, etc. Students who

## Oswald To Speak

Dear Mr. Levan:

I am delighted to tell you that I accept your invitation to be a part of your commencement exercises on June 19. As I am sure you are aware, University Park commencement is that day and I believe 7:00 p.m. would suit my schedule most conveniently.

Sincerely,  
John W. Oswald

begin this summer would have an excellent opportunity to continue on a part time basis during the fall.

For further information contact Miss Colleen Brett, Project Coordinator, 17 North Front Street, Harrisburg, PA 17101, 232-8676 Monday or Wednesday between 8:30 a.m. to 5:00 p.m.

## ATTENTION! PARKING TICKETS

There have been an abundance of parking tickets given by security during the first few weeks of this term.

I spoke to Colman Herpel, the Campus director, and he clarified the parking situation once and for all those who do not register their cars for No. 15 sticker are not allowed to park their cars anywhere on campus besides their respective residence areas. This means if you didn't purchase a sticker, you can't park at the Athletic building, Placement Office, Engineering lab or anywhere outside your residence area without risking a ticket.

If you have any questions or doubts, see Miss Vance in the Student Affairs Office or call me at 944-9751.

Len Thompson  
Social Science Senator  
P.S. You may park at the Student Center with last term's sticker.
