

SPORTS

LAST WEEK IN THE FFL

In one of the big games of the season, the undefeated Trojans defeated the now once beaten XGI's, 20-7. The game was tied 0-0 at half and was 7-7 until the final few minutes of the fourth quarter when the Trojans blew it open. The XGI's scored first on a pass by White to Wesley, with the extra point being converted by Thompson. The Trojans scored three times, all on pass plays from Roberts to Mercantile and two to Garrett. Tough "D" by the Trojans stopped the XGI's three times down near their goal line.

The Zappers won their second straight by beating the Studs Gold 7-6 in overtime. The Studs scored first on a forty-yard run by White. The Zappers' first score was set up when Steve Rosenzweig intercepted a pass which set up a ten-yard TD, thrown from Vic Myloradowycz to Bob Polis to tie the game. The Zappers were able to advance the ball further in overtime for the winning point. The stars of the game were two defensive players for the Zappers—Steve Rosenzweig, who had two interceptions, and Marc Cohen, who made three of the four tackles in the overtime period. Condolences to Phil Wexler, who got hit in the cookies.

A.M.F. beat Studs blue 12-6. Both A.M.F. scores were by the star of the game, Dave

Stanaslavski, who had two long TD runs. Rush threw to Cryder for the Studs' lone score.

The Trojans shaved the Hairy Hogs 38-6. The Trojans, with a potent offense and a tough defense, had touchdowns scored by Garrett, Grozinski, and two each by Fasse and Harrity.

The M & M's beat the Hairy Hogs 7-0 on a TD scored by Ward, with the extra point by Maeder. Them beat the Gornicks 31-13. Deacon and Lezoche scored two times each for Them, with Israel having a lone score. Gold and Lopez scored for the Gornicks.

The Green Knights, behind three TD's by Bagby, upset Them 18-13. O'Shey and Lezoche scored for Them. A.M.F. shut out the Gornicks 27-0. Scores by A.M.F. were by Wendowloski, Sembra, Szatkowski, and Riabie.

Finally, last Thursday the XGI's, with two TD's by Len Thompson, beat the M & M's 13-0. And the Studs Blue, behind two touchdowns each by Hall and Krumsky, zapped the Zappers, 29-6. Wexler had the only score for the Zappers.

The Game of the Week will be held Wednesday, November 3, when the Trojans go up against Them at 3:30 in what is predicted to be a ferocious battle.

X-Country Blues

Hampered by injuries and a lack of compasses, our first two showings in X-country this past week were unsuccessful. At Messiah two of our runners that were able to participate lost their ways over the 5 mile hilly course. Three other members of the team had physical ailments. Well did anyone manage to do good? Tim Rumsey, coming back from last year and showing much improvement, would have but he took a wrong turn a half mile from the finish. He lost a hundred yards which enabled Messiah to have the sixth runner to beat Tim. Eddy DeCook, however, made no mistakes, he just didn't run well. The fast start by the Messiah runners, who had run six previous meets this year, proved to be too much. The two other participants were Fred Barr and Mike McHale.

At Shippensburg, four days after and one runner less, we did somewhat better. The six mile course as opposed to our 3.2 mile course had us worried. It was Capitol's longest X-country race against a school that zinged the running uniforms of the Messiah runners beating them 18-40. Three Capitol runners facing seven of them; the run began slowly and until the end of the first quarter mile, two of Capitol's runners were in the first five. But it couldn't last,

they took the first five places with Eddy DeCook and Tim Rumsey placing a close sixth and seventh. Fred Barr, the third runner for Capitol, in second meet in the past three years finished behind Shippensburg's two other runners.

So much for the past, Tuesday, here at Capitol at 3:30, the opponents will be York Campus PSU and Messiah. For Capitol, we hope to have Bob Guss, Tom Steele and Paul Hook out to compete, all of whom now have leg injuries. Last year, Eddy DeCook took a first against York PSU in home meet. This year with an improved Tim Rumsey as well as an improved Mike McHale, providing the first real chance for Capitol's first victory the past three years. I expect a better showing against Messiah also. Paul Hook, who hasn't been able to run in competition, looked promising as a beginner in the preseason practices. The start is at the flagpole in front of the Administration Building with the runners coming into view at about the two miles and completing the race where it began. This provides the spectators to see the key parts of the race without any effort. Come Thursday at 2:00 also when we run Elizabethtown. Support your team!

ZAP --
You're...What?

by Steve Wesley

The answer to that is that ZAP is moving. As you all know, ZAP has hit the airways with the late, great sounds—the best for miles around. Or whatever those Jocks can think of.

Anyway, the station is being patterned after WMMR in Philly, a progressive rock station. Unfortunately, the not-so-big ZAP budget does not allow for the purchase of hundreds of records per week, but they have been doing a pretty fair job with those records they bought personally and with the DJ's personal collections.

Speaking of budgets, some of you may have heard that ZAP was in big trouble for overdrawing their budget. With the small budgets this year, that's not difficult. But fear not. ZAP overdrew with the full knowledge and consent of the SGA. What happened is that the SGA allocated a certain amount to the organization and then set aside an additional sum which could be used if necessary. The difference is that this additional sum will have to be paid back to the SGA.

The radio station overdrew to become a radio station—most of the equipment was not usable. So, to get on the air, Bob Polis, Station Manager, had to dip into the slush fund. According to SGA President Wimmer and Treasurer Ekberg, the overdraw was put to good use, and now the station is generating income. The station is doing well in that respect. It is felt that the money will be paid back, and that ZAP may be self-supporting by the year's end.

In addition to advertising income, the station is still selling raffle tickets for a cassette recorder. The tickets are going well, but you have only a few more days to buy them.

One disappointment so far has been the failure of the antenna to pick up WMMR for broadcast in the late hours. But with the great ZAP jocks and shows, who needs it? However, they are still working on it.

But ZAP is moving. Getting on the air was an accomplishment after last year's fiasco. Now that we are hearing the broadcasts every day, the minor problems are being worked out.

These problems involve scheduling difficulties and changes. When these are worked out, some of the plans are to include: cultural shows; weekly Prof talk shows; daily news and sports; Iris Prager and Marianne Krieger on sex, marriage and Head Shop stuff; interviews with luminaries who visit campus (Charlie Byrd, for example); and a special surprise—Gov. Shapp is being invited for a show.

The DJ's have been asked to comply with FCC regulations concerning acceptable language over the air, but we'll forgive a few slips, won't we? Now if we could only get some regulations on off-the-air conduct...

Lay it on us, ZAP. Your audience awaits the truth. We really didn't know that Nixon shoots up.

Folk dancing will be offered at the Jewish Community Center under the direction of Iris Prager and David Langmeyer on each Tuesday night at 7:30 P.M. Cars will leave from in front of the Main Building at 7:00 P.M.

Intramural Roller Skating Decathlon

Nov. 8, Monday Night
7:30–11:00 p.m.

Recreation/Athletics has rented the use of the Gold Skate Roller Rink on Rt. 230, East of Middletown, for its 3rd Intramural Roller Skating Decathlon.

Skate rental and admission is FREE to the first 100 students. Late students must pay \$.25 per person. Students must supply their own transportation to and from the Gold Skate (4 miles). Food and drinks are available but must be paid for individually. Valid Capitol student ID's will be requested for admission.

The program of activities will begin at 7:30 p.m. and end at 11:00 p.m. on Monday,

November 8, 1971. Activities will include free skating, skate wheel relay, flat lap racing (3,6,16 laps for men and 3,6,12 laps for women) pursuit racing, backward race and obstacle race. Ribbons will be given to the individual winners and points will be awarded for the All-Sports Plaque and Individual/Outstanding Athletic Award.

All student, faculty and staff are welcome to participate. If you have questions, call 787-7751.

PLEASE NOTE: This date (November 8 - MONDAY) is a change from the Intramural Handbook date.

SPORTS ARTICLES FOR PUBLICATION

Points and credit will be awarded toward the All-Sports Trophy for persons submitting articles for publication in the CAPITOLIST. Articles must be submitted under the regulations stated below to receive credit.

REGULATIONS

1. All articles will be printed if space provides. The CAPITOLIST Editor and Recreation/Athletic Coordinator will select articles if too many are submitted for publication.

2. Articles must be typed, double-spaced, and approximately two pages in length for 25 points. One page will receive 15 points if article is published.

3. Your name and telephone number must accompany each Article.

4. Submit completed work to the Recreation/Athletic Building.

5. Thursday noon of each week is the deadline.

6. Subject matter may consist of any topic relating the the intramural program. You may do a story on a softball game; golf clinic; horseshoe tournament; weight-lifting; or a summary of football games not covered.

7. Box scores should be in addition to the normal length of the article and must be accurate with the scorebook.

PLEASE NOTE

When writing sports stories, attempt to describe more than the obvious. Make an effort to follow the play-by-play and record interesting events: three errors in an inning by a single player; unusual uniforms of a team; style of the pitcher; conditions of the field; or an unusual or exciting catch to stop a rally. Use player and team names, but do not overuse. Make the story interesting and

eye-catching, so that you will want to read it in print. Use the scorebook to back up the story with statistics, but do not overuse or bore the reader.
