LAST WEEK IN THE FFL

by Steve Rosenzweig

	1	2	3	4	
Trojans	7	0	0	6	13
XGI's	0	6	6	0	12

That's how the final score stood in the championship game of the Flag Football League. The Trojans, after beating A.M.F. and the Studs, won the right to play the tough XGI's and they were victorious.

The game seemed to be all Trojans in the beginning. The first time the Trojans got the ball they scored. They forced the XGI's to punt shortly after the opening kick-off and Gene Fazzie made a good return to mid-field. Then Paul Roberts made a beautiful run from that point for a TD. John Mergenthaler scored what turned out to be the winning extra point.

The XGI's then were guilty of another mistake. A Larry White pass was intercepted by Gene Fazzie and he returned it 20 yards to the XGI 10 yard line. This was the end of the first quarter. Then the XGI's got tough and held the Trojans from the ten. The big play was on fourth down when Steve Wesley knocked down an apparent touchdown pass.

Spurred on by tough "D" the XGI's began mounting a drive late in the second quarter. Hard running by Wesley, Keggy, and a 18 yard run by White to the five set up a TD run by Steve Keggy.

The extra point try, a pass from White to Yohe, failed.

With two minutes left in the half, the Trojans started to move. Their drive was halted when Cal Yohe intercepted a John Mergenthaler option pass in the end zone. Because of the wind factor, it was a bad pass to throw. The half ended with the Trojans leading 7-6.

The third quarter started out slow until Larry White hit Cal Yohe with a 50 yard TD pass. The extra point failed.

With two minutes left in the third quarter, the XGI's, following their TD, kicked to Trojan John Mergenthaler, who had a beautiful 35 yard return to the XGI 22. Cal Yohe made a clutch stop on Mergenthaler who seemed to be well on his way to a TD.

A charging penalty on Bill Garrett for the Trojans nullified his gain to the five and brought it back to the 20 yard line. Then Carl Grozinski had a beautiful run to the XGI two yard line. Then the tough XGI "D" came alive again and stopped the Trojans when a pass from Roberts to Fazzie failed.

The Trojans held the XGI's at the start of the fourth quarter forcing them to punt from the eight yard line. White had a great kick against the wind which crossed mid-field and left the Trojans in their own territory.

The Trojan offense came alive as Carl Grozinski, running on a bad ankle, picked up a quick first down in XGI territory. After a short run by QB Roberts, he threw a 25 yard pass play to Bill Garrett. Fine running by Garrett brought the ball down to the four. With three minutes left, Roberts passed to Larry Chupka for the final TD. The extra point failed, but the Trojans had a 13-12 comeback lead.

The XGI's were not giving up. A beautiful diving catch of a pass from White to Yohe following the Trojan kick put the XGI's back in Trojan territory. After overthrowing a pass to Len Thompson, White hit Wesley for nine yards. Then disaster hit the XGI's. With a third down and ten yards to go, White overthrew a pass and Mike Kelly intercepted it on the five yard line. The XGI's were fighting a losing battle against the clock. The Trojans got two first downs, one because of an XGI penalty, and the other on a fine 25 yard run by Bill Garrett though he was losing his shorts. So the Trojans ran out the clock and made my prediction of their winning the Flag Football League Championship come true.

Congrats to all teams who made the playoffs and good luck to all of next year's returning lettermen.

Complaints by a Student

(Continued from page 1)

determines that Powell has been discriminated against, the regulations may be tested in court.

Gautreau holds the position that anyone who works in Food Services must realize that sanitation is an integral part of his job. "But if he wants to cover his goatee, we have decided he can come back to work. If he shaved it off we would welcome him back.", Gautreau asserted. He further stated, "If he doesn't agree with the regulations, he should fight them. I personally believe the rules to be valid. But the letter I got from the Civil Rights people wanted to know if we were discriminating against him as an individual. This isn't so. This regulation is enforced without discrimination."

Powell further stated his position in the matter: "This isn't a problem between personalities, it's a problem of semantics. I don't hold a grudge against Mr. Gautreau or anyone else on campus. I'm just trying to have the University change the regulation. Those regulations are so petty and irrational. The thing that really bugs me is that I'm not going against any Pennsylvania health code, but just the University code. The Pennsylvania health code allows trim goatees on male restaurant employees. I worked in the cafeteria as a dishwasher and only rarely served food. I feel that the supervisors were nit-picking. I want to get the regulation changed so that trim beards and goatees are allowed."

THE CAPITOLIST will keep its readers informed as the case of "the goatee" continues.

The B. C.

Among the Datsun 510, Chevy Vega, Toyota Corona, Ford Pinto, V.W. Super Beetle, AMC Gremlin, Opel 1900, and Pengeot 304 "Consumer Report" rated Toyota Corona Mark III the best overall auto. The Datsun 510 was a close second.

Food Fair Tomato Soup is rated as good as Campbells and Great American.

If you have purchased any Evening Shadow dinnerware from Sears since February, 1970, it should be returned. This silverware was found to contain seven times the amount of lead considered safe.

Good wine buy - Gallo Chabris Blanc.

Cliff Heath Ford of Pittsburgh has agreed to stop turning back odometers.

Don't use Spice of Life or Country Tavern Meat Tenderizer because it may contain pure sodium nitrate (a poison).

AAMCO Automatic Transmission Inc. has at least eight of its franchises under court order to stop trapping customers into expensive and sometimes phony repairs.

Be careful about giving pop-top cans of pudding to children. School nurses and doctors have reported that a large number of children are getting cut opening this type can.

STP does nothing but thicken your oil. If you want thick oil, it's probably cheaper to buy a heavier weight oil than to spend your money on STP.

"Consumer Report" rated Sungard Sunscreen Lotion, Estee Lauder Ultra-Violet Screening Creme, and Irma Skorells Protective Sun Screen for the Sun Sensitive as the better suntan lotions on the market. Many that were rated "Acceptable but Poor" were Tanfastic Suntan Lotion with Cocoa Butter, Sea and Ski Suntan Lotion, Coppertone Suntan Cream, and Swedish Tanning Secret.

Here are some items that might be of interest to consumers:

CAPITOL CAMPUS BOOSTERS CLUB SUPPORTS VARSITY BASKETBALL

by Mike Dini

A major concern of the newly formed organizations is Varsity Basketball which begins its season on Saturday, January 8, 1972 against the Shippensburg Frosh at Shippensburg State College. Game time is 6:00 p.m.

The club has been formed to make the student body, faculty, staff, administration and members of the community aware of the varsity sports programs, intramural sports programs, recreation/sports clubs and leisure activities of Captiol Campus.

A feeling of participation and

"community" is developing at Capitol Campus and YOU are a part of it.

A Capitol Campus Boosters Club has been formed by a group of concerned students who see the need for the continuance of a viable educational/athletic program at Captiol Campus.

The club also looks to establishing a concern for research, support and participation in all sports programs and activities conducted by and at Capitol Campus and at times the University Park "Main" Campus,

eg., All University Day activities.

Membership in the organization is open to all matriculated students, faculty, staff and administration. Members of the local communities are also welcome to participate.

If you are concerned for the need of a viable educational/athletic program at Capitol Campus, join, support and participate in a new venture on and off campus - The Capitol Campus Boosters Club.

COME OUT AND SUPPORT THE TEAM!
