

# Last Week in the IBA

by Steve Wesley

Last week saw two of the five Unbeaten's fall. In a battle of undefeats, Ghoti dropped a 34-14 verdict to No Trains. The upset of the week came when the Brotherhood downed the Trojans 37-24. XGI "A" kept on their winning ways dropping the Brotherhood 41-26 to remain the only unbeaten in Division B. AMF-Blue continued to lead Division A sweeping three games.

Next week the XGI "A" faces some tough foes in the Ghoti, Royal Flush, and the Trojans -- each with one loss. Other top games pits the AMF-Blue vs. No Trains (Wed.), Them vs. No Trains, and Royal Flush vs. Trojans (both Sun.).

### STANDINGS

Division A	W	L
AMF-Blue	6	0
No Trains	6	0
Ghoti	6	1
Foulballs	4	2
AMF-A	4	3
Airheads	3	3
Tops	2	5
**ALUMNI	FORFEIT	ALL GAMES.

Division B	W	L
XGI "A"	7	0
Trojans	6	1
Royal Flush II	6	1
Them	5	2
Brotherhood	4	3
Dirty Harrys	2	4
XGI "B"	2	6
Studs	2	6
**ZAPPERS	FORFEIT	ALL GAMES.

XGI "A" leads the league in offense (245 pt. in 5 games for a 49 pt. av.), followed by AMF-Blue (236 pt. in 5 games for a 47.2 pt. av.).

No Trains are number one in team defense (99 pt. in 5 games for a 19.8 pt. av.), followed by the XGI "A" (122 pt. in 5 games for a 24.4 pt. av.).

# Bowling Results

(As of January 26, 1972)

TEAM	WON	LOST
1. All in the Family	10	2
2. F.O.B.O.	6	2
3. 103rd Engineers Plus 1/2	8	4
4. Dr. Shock	7	5
5. Pinheads	7	5
6. XGI	7	5
7. WZAP Baetzum	6	6
8. Hermies	5	7
9. The last laugh	3	5
10. Emaus Gang	4	8
11. Lil' Studs and Bob	4	8
12. No Names	1	3

### MEN'S INDIVIDUAL STANDINGS

High Average	180	Cliff Claypool	(All in the Family)
High Series	601	Cliff Claypool	(All in the Family)
High Game	216	Cliff Claypool	(All in the Family)

### WOMEN'S INDIVIDUAL STANDINGS

High Average	128	Nancy Flowers	(Emaus Gang)
High Series	393	Mary Jo Mackanich	(Lil' Studs and Bob)
High Game	157	Nancy Flowers	(Emaus Gang)

# BASKETBALL :

## Messiah Wins

A powerful Messiah College '5' invaded Middletown's Main Street Gym on January 25 looking to barrel over the Lions. They hardly did that. Even though Messiah did defeat Capitol, it was not by the embarrassing score which marked last year's game. In 1971, Messiah won 135-59, Captiol's worst loss in history. In this contest, the Lions lost 93 to 71, but the game was closer than the score indicates.

The Lions played well. They shot 50% from the field and sank 9 of 11 free throws. But the taller visitors were too much for the roundballers. Messiah dominated the boards and pulled

out to a 13 point halftime lead.

In the second period, the Lions closed the gap to six. But then Capitol's star forward, Joe Duda turned his ankle and was forced to set out the remainder of the game. Capitol stayed close, but Messiah reeled off 12 points in a row near the end to ice the victory.

Rick Miller paced the Lions with 20 points. Paul Hook had 14 points and 13 rebounds while Larry Chupka added 17 markers and 13 boards. The injured Duda was limited to 12 points. Messiah improved its record to 12 wins in 15 games as the Lions to 2 wins against 5 defeats.

**PLAY BEGINS FEB 9**

**Attention: The Bathtub Race Is Coming!**

**WHAT IS A BATHTUB RACE?**

The first annual Capitol Campus Invitational Bathtub Race will be held this coming May. A bathtub race for you inquisitive souls is a race where the bathtub is mounted on wheels.

Each tub must be made of cast iron, have a steering mechanism, but have no means of self-propulsion. Only pushing

or pulling of the tub is allowed.

The official rules for the contest will be published in a few weeks. Invitations will be extended to local colleges to spice up the competition. So start thinking about getting a tub. (Where can an idiot rip-off a bathtub? Answer--from some of the houses in the Heights--some people would never miss it.) Can Capitol meet the challenge?

# Highway Research Convention

On January 19, 26 members of the Transportation Engineering Technology Program at Capitol Campus traveled to Washington, D.C. to attend the 51st annual convention of the Highway Research Board of the National Research Council.

The meeting is one of the world's most important forums for presenting results of transportation research. More

than 300 formal and informal papers and reports were presented on virtually every aspect of highway and urban transportation during some 63 technical sessions, symposia, and conferences.

"Urban Transportation in the '70's" was the subject of addresses given at the traditional Chairman's Luncheon which many of the Capitol Entourage

attended. Speakers were Francis C. Turner, Federal Highway Administrator, and Carlos C. Villarreal, Urban Mass Transportation Administrator. Both men head agencies which are part of the U. S. Department of Transportation.

The Urban Mass Transportation Administration became a support member of the regular technical activities of HRB in May, 1971, in line with the Board's increasing activity in the area of mass transportation. Mr. Villarreal and Mr. Turner are both ex-officio members of the HRB's Executive Committee. Heading the Capitol Campus delegation, which was one of the largest in attendance were: Dr. John D. Antrim, Program Chairman, and Dr. Moore, Dr. Dahir, Dr. Atkins and Mr. Harmon.

The Highway Research Board was organized in 1920 and is a cooperative organization of highway technologists in the United States. The Board's purpose is to advance knowledge of the nature and performance to transportation systems through the stimulation of research and the dissemination of information resulting from such research. The board operates within the Division of Engineering of the National Research Council, which serves both the National Academy of Sciences and the National Academy of Engineering.
