ABOUT THAT TABLE...

AND WE ESPECIALLY DISLIKED THE FACT THAT WE WEREN'T EVEN CONSULTED BEFORE THE DECISION WAS MADE.

SO? WE DON'T CLAIM IN LOCO PARENTIS, BUT DON'T EXPECT US TO TREAT YOU LIKE CAPABLE ADULTS!

GOOD HEAVENS, HOW PRESUMPTUOUS OF US!

Gremlin Village Gene Mater

Y'KNOW, I WUZ BEGINNIN TO FEEL SORTA LIKE A-UH- MALE CHOSENIST - UNTIL I READ THIS PLAYBOY PHILOSOPHY, WHICH SEZ THAT, RATHER THAN BEING OFFENDED BY THE SPECIAL TREATMENT YOU GET, YOU SHOULD BE FLATTERED!

OH, I AM, DEEPLY!

ever have a hernia?

INTRAMURALS?
TRY IT,
YOU'LL LIKE IT!

GOD IS ALIVE!

Softly I shall come -- softly I shall go
My identity, my origin, to you are not known.
My voice you shall hear -- a whisper in your mind.
Bringing you a message from the gentle and the kind.
My purpose unselfish -- my task difficult and long
Merely to guide you -- prove the right from the wrong.
To encourage and comfort in this life's ordeal
To give you further faith -- that our God is real.
"A new breed of people", their evil voices said,
"You have no God -- no -- your God is dead."
Leaders speak of peace -- but war is their game
Taught to love their brother but hatred is their name.
Their lies based on greed and hypocrisy
But God has said -- "all these things are to be."
Follow not their teachings and truth will survive
For we his chosen people know -- truly God is alive!

WHO AM I?

Who am I? Where did I start? Where will I end?
Was I the enemy? Or was I a friend?
Was there love in my heart or hate in my mind?
Who was I -- in the life I left behind?
Sometimes in dreams in visions I see
Strange sights and sounds -- yet familiar to me.
Trees and flowers -- a beautiful dove
Faces of people that I seem to love.
Yet awake in conscious reality
I ponder -- was that really me?
If it was and dreams are a fact
Who will I be, when again I come back?

KARMA AND REINCARNATION

The beauty of life is sometimes the sorrow
Of the errors of yesterday, today and tomorrow
Now the beginning, a new revelation
Mysteries of truth -- since the dawn of creation
Life and death and the patterns thereof
The living, the dying -- the hate and the love.
Death, no horror, no spirit in physical chain
Life, its realities -- no longer a game
For as you have lived -- so you shall live again
For one life isn't all -- no, this isn't the end.
Death is merely -- soaring above the trees
Just some rest -- a sleep with the breeze
Until once again -- another chance at fame.
To win or lose -- to ignore or learn
To erase my mistakes when I return.
