

Penn State Rips Maryland

The Penn State Nittany Lions went to the air and routed the University of Maryland Terrapins 46-16 last Saturday at University Park.

State QB John Hufnagel broke three school records as he lead the stampede. The senior from Montour, Pa., haven of great quarterbacks, accounted for 290 yards passing and finished with 303 total yards, breaking Galen Hall's 11 year old mark set against Pitt. On a windy, gray afternoon before 58,171 at Beaver Stadium, he also became State's all-time leading passer with a total of 2,802 yards.

Yet the game started out with State asserting a strong ground attack. John Cappelletti, who last week set a school record for most carries in a game, lugged the ball three straight times for 20 yards.

With State at its own 47, Hufnagel dropped back and saw flanker Jimmy Scott and hit him with a pass at the Terps' 6 yard line. Cappelletti burst through the line for the score on the next play. Alberto Vitiello added the extra point.

After Penn State's opening touchdown, Maryland launched a drive of its own. On third down inside the 30, wingback Jamie Franklin got set for what looked like a quick-kick. He took the snap and raced down the sideline before he was smothered at the State 12. Two plays later, sophomore QB Bob Avellini eluded the grasp of State linebacker John Skorupan and threw 9 yards to Dan Ratliff to pull the Terps even.

The remainder of the half saw the teams roll up the yardage but fail to get into the end zone. Hufnagel completed 10 of 20 passes for over 200 yards in the first two quarters. Each team scored on field goals, Vitiello booting one from 23 yards out for the Nits and Mike-Mayer from 35 for the Terps. The score was 10-10 at the half.

State got the breaks in the second half and turned the football game into a laughter. On the first play from scrimmage in the third quarter, Randy Crowder recovered a Terrapin fumble at the Maryland 21. Hufnagel advanced the ball inside the 5 by passing to Chuck Herd. Cappelletti eventually scored from one yard out. State got another break as a Maryland punt was caught by the wind and traveled only to the 50 yard line. Hufnagel passed to Bob Rickenbach who snared the ball at the 11.

Huffy, sacked with a 4 yard loss after the pass to Rickenback, then kept the ball and ran to the one before being bumped out of bounds. Cappelletti dived in for the score on the next play.

In the fourth quarter, State drove for three scores, two of which were directed by Huffy's under-study, soph Tom Shuman. Before he retired early in the fourth period Hufnagel passed 5 yards to Rickenback then ran for a two point conversion, making the score 32-10.

Maryland put together its only sustained drive of the day, mostly against State's reserve defensive unit, as Avellini scored from a yard out. The Terps

missed on the try for a two point conversion.

Shuman went to the air immediately, but was unsuccessful until he found Dave Bland in the end zone for a 29 yard scoring play, increasing the State lead to 39-16. The final time it had the ball, State went 80 yards in three plays for a score. Walt Addie carried all three times, one of them a 73 yard gallop. He deservedly got the final touchdown.

Addie lead all rushers with 117 yards on 8 carries and a touchdown. Cappelletti pitched in with 22 carries for 68 yards and 3 scores. Huffy completed 14-30 passes for 290 yards and a touchdown. Hufnagel is also closing in on the State record for touchdown passes in one season. The State pass receivers aiding Hufnagel and Shuman in the yardage pile-up included Jimmy Scott with 2 receptions, Dan Natale with 3, Scott Skarzynski with 2, Rickenbach with 2 and Bland with one.

This Saturday, ALL-U-Day, finds Penn State up against the tough club from North Carolina State. Game time is 1:30 p.m. at Beaver Stadium. Penn State is 7-1 while N.C. State is 5-2-1. State should win by 16 points.

**** One Way To Get A Football Team

Missoula, Mt. (CPS)--The athletic department of the University of Montana is finding out that there can be "too much of a good thing."

The "good thing" is money which was allegedly given to students in the athletic department for working at non-existing jobs.

The money, estimated by Montana U. S. attorney Otis L. Packwood at over \$200,000, is provided 80 percent by the Department of Health, Education and Welfare and 20 percent by the state. The funds were originally designated for student financial aid programs.

According to the indictment against George L. Mitchell, U.M. administrative vice president, and seven other members of the U.M. administration and athletic department, work records and job descriptions were classified and fraudulently negotiated checks from aid funds were made available to the university.

Among Mitchell's, co-defendants are Harold Jack Swarthout, U M athletic director, U M business manager Calvin Murphy, Goerge Heath Cote, U M basketball coach, two assistant football coaches and the U M track coach.

All of the defendants were charged on the first count with conspiring from January 1967 to April 1972 to defraud the U.S. government.

The indictment also listed 23 students who had records falsified.

Maximum penalty upon conviction for conspiracy is five years in prison and a \$10,000, with the same penalties applying for each false statement made to the government.

WILLIAMS NAMED BASKETBALL COACH

Robert E. Stanley, Recreation/Athletics Coordinator, has officially announced the appointment of Al Williams as Capitol Campus varsity basketball coach.

Mr. Williams is a graduate of Drake University with a bachelor of arts degree, and is currently employed by AMP, Inc. of Harrisburg. He now lives at 301 North Progress Ave., Harrisburg.

At 24, he becomes coach of a team which last year won only four of its games. Williams comes to Capitol with vast basketball playing experience at all levels. He was a star at Peoria (Ill.) Manual High School from which he was recruited to Drake, achieving All America status in his senior year in 1970. From 1970-72, he was a standout for the Kentucky Colonels in the American Basketball Association. He was forced to temporarily leave the pro ranks due to recurring fluid in a knee.

This past summer, he was Director of Athletics at Dauphin County Prison, organizing and coaching a basketball squad there.

When asked how he felt when he received the news of his selection, he stated, "I was pleased.... to say the least. I love basketball and I know we can build a winning team here."

Williams will rely heavily on the techniques he has learned as a player as coached by such notables as Murray Johns at Drake and Joe Mullaney and Frank Ramsey in the pros.

Capitol's varsity squad began practice earlier this week. A few scrimmages are scheduled for this month in preparation for the regular season which begins in early January. "I'm

optimistic, and am looking forward to coaching," he added. "At first glance, not having seen the team practice as a unit, it seems as if we have a relatively small team to work with. If the team can run well, we can develop a fast-break offense and a pressure defense, but this will vary with the team personnel and the opponent."

In conclusion, the coach said "I'm not saying we will be a U.C.L.A., but then, we don't play them either."
