

EAT A PIE AND GET \$5

Next Thursday during Nostalgia Week, the Beta Chi organization will co-sponsor a pie eating contest in Vendorville.

The object of the contest will be to compete with the other contestants in consuming a wholesome pie in the quickest time. No utensils what-so-ever may be used and both hands will likewise be restricted. The sloppy Joe - "face in pie" method will be the only method permitted.

The reward for the successful participant will not only be a free pie but the chance of receiving an imprinted picture of Abraham Lincoln in one of his more favorable portraits - a

genuine \$5 dollar bill.

Some of the notable contestants who have already committed themselves to the event are Mike Dini, John Sheridan, Twyla Brown, Mr. Gresis, and believe it or not Mr. Paul. Other competitors will be joining these contestants for their chance of not only satisfying their tummy with appetizing pie but adding \$5 dollars to their pockets.

The pie eating contest is open to any student, administrator or faculty member. If any one is interested in being a contestant please call 944-4828.

Remember, a win means a content stomach and a fin.

When the Parents are away

(CPA) -- Professor Ivor Mills of Cambridge University has a rude shock for parents worried about protecting their children's viginity.

Mill claims 90 percent of all teenagers making love for the first tim don't grovel in the back seat of a car or at a wild party. No, says the professor, the kids do it right at home while the parents are out for the evening.

SGA

(from page 1)

organization currently exists on campus for grading and student "academic dismissal" appeals, excepting appeals with the individual program heads. The SGA approved both measures unanimously.

The SGA also unanimously approved a motion to reduce the parking fee from \$7.50 a term to \$2.50 per term. (Details on this motion and that of the "Appeals Board" will be more fully

presented in next week's issue of The Capitolist.)

A motion passed on January 22, 1973 establishing a student-to-student advising program featuring SGA senators as paid advisors in a work study program was reconsidered. A substitute motion establishing an advising mechanism, with "no remuneration for SGA members" passed unanimously.

Marilyn Levin (senior senator at large) was appointed Chairman of the Election Committee. Other members named were Judith LePere and Michael Pierce. Bill Matthews was appointed to fill a slot on the Faculty Organization Student Affairs Committee.
