## ANNOUNCING

The Chairman of the Military Science Department, Lieutenant Colonel Victor A. Marcus, at Dickinson College, in Carlisle, has announced the branch assignment and length of active duty for Stephen Konsowitz.

Stephen, by enrolling in the ROTC Program at Dickinson College, will complete his military science instruction this Spring and will be commissioned a Second Lieutenant in the Infantry upon graduating from Capitol Campus. Steve will serve on active duty for 90 days after being commissioned.

## GRE Registration Deadline

For those students wishing to take the Graduate Record Examinations on Saturday, April 28, 1973, the preliminary registration without a late fee has passed, as of April 3, 1973.

However, the closing date (with a \$3.50 late fee) is April 10, 1973.

If you wish to take the GRE's on this date and have not registered as yet, your registration form, fees, and late fees must be received by the Educational Testing Service no later than April 10, 1973. Forms for these test are available from the Counseling Center Office.

The next administration of the GRE's is Saturday, June 16, 1973.

More details on these and other tests for graduate study admissions will be printed later on during the semester.

Miller Analogy Tests are administered, by appointment, in the Counseling Office, W-117.

Study Guides for these tests are also available in the counseling Center library.

## Soccer Club Forms

The Capitol Campus Soccer Club has been formed and is in the process of scheduling games. The first game for the spring term is April 10 at 7:00 p.m. against Messiah College.

It is not too late to join the squad. Reading an announcement as uninspiring as this one could make you feel like kicking something. Come join the team. Contact Bob Stanley in the Rec/Ath Building.

Dan Fichtner

## One Picture is worth....

## DR. MURTY ACCEPTS U.N. APPOINTMENT

A faculty member of Capitol Campus has been appointed by the United Nations to serve as an Advisor on Sample Surveys under their Technical Assistance Programme to the Government of Indonesia.

Dr. Vedula N. Murty, Associate Professor of Mathematics and Statistics, has been granted a leave of absence without pay for the 1973-74 academic year so that he may accept this special assignment.

Dr. Murty will be a member of a team of U.N. Advisers who will be attached to the Central Bureau of Statistics in Djakarta, Indonesia. He will assist the government in improving surveys in such areas as agriculture, household expenditures, construction, transportation and population. He also will provide basic training to the bureau staff in designing these surveys and in the analysis of data collected. Other responsibilities will include advise and training in all phases of sampling in a wide range of applications.

The Central Bureau of Statistics employs a staff of more than 1200 in Djakarta and has a field staff of 3,500.

Dr. Murty joined the faculty of Capitol Campus in January, 1970, after having served as a consultant at the U.N. He came to this country from his native India to serve as an instructor and pursue graduate studies at Purdue University.

He holds a Master of Arts degree in Mathematics from the University of Andhra and a Master of Science and Ph.D. degree in mathematics-statistics from Purdue. His research work has been in the field of design of experiments and sampling theory.

## SGA sets Spring Election schedule

by R.W. Bonaker

Definite plans for the SGA spring elections were enunciated by Sen. Marilyn Levin, Chairman of the Election/Screening Committee at the Senate meeting on Monday night.

Election day has been set for Thursday, April 26 with the presidency for 1973-74 up for grabs along with the offices of vice-president, secretaries (recording and corresponding) and treasurer.

In addition, senate positions for six program seats and four at-large seats are open. Candidates for these senior positions for next year can pick up petitions in the SGA office, W-104, beginning today and must be returned by 5:00 p.m. on Friday, April 13, according to Levin.

Reportedly, both seniors and juniors can vote in the April 26 election.

## THIS WEEK IN THE SGA

by R.W. Bonaker

The Student Government Association on Monday night passed a resolution which would grant one unit of credit for participating as an SGA senator.

The resolution was formulated by Sen. Nick Spengler and passed by 17-0 with 3 abstentions. Following is the body of the legislation:

In order to perpetuate the high standards of the Student Government, and a continuance to attract concerned students to participate in their student government through election, the following proposal is being made.

"Student Government members serving at least three (3) terms in a satisfactory manner, which constitutes a minimum of 75% attendance and evaluation on participation by the Faculty Advisor, be awarded 4 credit hours, or 1 unit of credit to be used in lieu of an elective at Penn State Capitol Campus. The elective will be designated by the students' advisor

and a pass grade will be entered on the Student transcript."

President Mike Dini said the resolution would be forwarded to the Faculty Council for further action.

In other news, Dini read an announcement from Berni Boyle who tendered her resignation as Recording Secretary. She said in the letter that she could not fulfill her duties due to other commitments, adding a belief that SGA has lost much of its intended "purpose." Dini noted that Boyle's position and that of a junior senator at-large are currently open. The President announced the appointment of Jan Marks to fill the senior Math-Science post. He must await formal confirmation next week.

Vice-President John Sheridan reported the Spring Dinner/Dance will be held Saturday, May 5 at the Parkview

(Cont. on page 4)

## PAVE OFFICE SERVES XGIs

Central Pennsylvania Vietnam veterans who wish to take advantage of educational opportunities available through the G.I. Bill can now find help through the PAVE (Pennsylvania Program to Advance Veteran Education) center located at Capitol.

Three counselors, all veterans who had no interest in higher education when in high school, now are full-time Capitol Campus students and are contacting and counseling recently discharged veterans on how to further their educations.

Robert Chaapel, David Miller and Louis Slepetz work from contact lists provided by the Selective Service Office. They phone or visit the newly discharged veterans and inform them of facilities and educational programs for which their G.I. benefits are applicable. The PAVE staff also works closely with the 425 veterans currently enrolled at Capitol Campus who may have problems with scholarship, loans or late V.A. checks.

Chaapel explained, "We don't try to sell any one college or program even though we are students at Capitol. We simply try to guide our peers to the school which would be most appropriate for their career goals.

"There's a certain distrust of the establishment and today's vet will talk more freely with another vet. A recent Veteran's Administration study revealed that today's veterans are enthusiastic about higher education, but many are not knowledgeable in admissions procedures and courses available."

The PAVE program has been in existence, statewide, since 1970. It was first established at Capitol Campus in 1969, by Robert Ford, present Director of the State Selective Service, who was then a student at Capitol. Its operations are funded by some state aid and by a federal grant for emergency employment. Programs are administered under the Office of Higher Education.

David Kurtz, Regional Coordinator for PAVE reports that Pennsylvania has the third largest number of Vietnam veterans. More than 11,000 men have been discharged in

Cumberland and Dauphin counties since 1964. However, only 29% of these young men have taken advantage of the G.I. Bill. PAVE is attempting to reach the majority who have not taken advantage of these benefits.

## R.A. SELECTION TO BEGIN

The Residence Living Program Office will initiate the selection of Resident Assistants for the 1973-74 academic year on Monday, April 16 at 8:00 p.m. in the Gallery Lounge at a meeting for R.A. applicants.

The meeting is designed to discuss the Residence Living Program, the R.A. position and the selection procedure for candidates, according to Pat Murphy and Terry Turnbaugh, Residence Living Coordinators.

Those selected for an R.A. position receive remunerations of \$515 in the Residence Halls and \$390 for Meade Heights on a per term basis.
