Soccer team wins, 7-1

By Dan Fichtner

The Capitol Campus Soccer Club finally played up to its abilities May 10 when it beat Penn State's Schuylkill Campus 7 to 1.

Until then the Capitol Lions were having trouble hitting the net even though they have kept control of the ball.

In winning the first game of the year, Denny Doerr scored five goals and Ron Conley and Larry Lingenfelter each tallied

one. Great improvement can be seen by the team's fans in the new passing game displayed in the Schuylkill contest. The Soccer Club has finally outgrown its organizational pains and is truly worth watching. Coach Ed Trunk is especially to be congratulated for the vast amount of time and energy he has given on behalf of the team.

Coming contests, which are played at home at the athletic field, are York, tonight at 8:30 and Hazelton next Wednesday.

Golf team wins

By Larry Gallo

On Thursday, May 17, the Golf Team, consisting of Pete Sell, Andy Metrick, Ron Kaucic, Larry Gallo, Mike Zayakosky, Dan Slater, and Coach George Dressler, playing in a steady down pour, defeated the York Campus (P.S.U.) Golf Team by the score of 13 5.

This was the team's first victory this season and ran its record to 15.

The two remaining matches are May 21, vs. York Campus at Hershey and May 29 vs. Schuylkill Campus at Hershey.

TEAM EFFORT PAYS OFF

by Harry Franzreb

The Capitol Campus soccer team, recorded its second victory of the year against Schuylkill Campus. The losers came here for revenge as a result of an earlier 7 to 1 shellacking and went home with a 3 to 0 loss.

Goalie Dave Pletcher recorded his first shutout; at one time stopping a penalty kick. Dave got plenty of help from Dave Konsowitz who kept their offense honest as he knocked down anyone not wearing a white shirt who had the ball.

Midway through the first period coach Denny Doerr scored his 11th goal of the year. capitol took a 1 to 0 lead into the halftime.

In the second half our front line continued to shoot at random at the opposing goal. Mike Ayyoub scored late in the game with an assist from Denny and "Diligent" Dave Link scored his second goal from a pass by Barry Deacon. Our last game is next Wednesday against Hazelton Campus. Game time is 8:15 at the athletic field.

Multi-Purpose Building

Sketch plans for a physical education building at Capitol Campus were approved by the University trustees at their weekend meeting in Hershey.

The General State Authority project, for which \$2,480,500 has been allocated, is to be a multiple-purpose building for assembly use and for recreational activities.

It will contain a basetball court, courts for rackets sports, a locker room area and other facilities for recreation.

There also will be an area to be used for assemblies, artists series and special social events, the area having facilities for the use of caterers who may serve food at these events.

Classrooms, conference rooms and staff offices will also be located in the building.
