

**Thinking about a career?  
Think about two.**

Two careers are as easy to get as one. Just take Army ROTC. You earn your degree and your Army commission at the same time. Now ROTC pays \$100 a month during your junior and senior years and all it requires is a few hours a week. Then you can serve as an Army officer.

You'll be making decisions, managing men, traveling. Who knows? You may stay in the Army. Or you may go for a civilian career.

You'll be in great shape for the competition. You'll have an education sharpened by your Army management experience. That combination can take you far — and fast. Find out all that ROTC can do for you.

Army ROTC. The more you look at it, the better it looks.
