Look for a very special piece of mail during your visit home over the Thanksgiving holidays!

John W. Taylor, Financial Officer for Capitol Campus, reports that all bills for the winter term are being mailed from University Park on November 19. They will be sent to your home address and are scheduled to arrive prior to, or during the holidays. Any student who does not receive an estimated fee bill by the end of the Thanksgiving recess must report to the Capitol Campus Finance Office immediately after returning to campus.

All students, including those receiving financial aid MUST process their estimated fee bill before the due date. Those on financial aid should so indicate in the appropriate space on the fee bill.

Although registration will be held November 14-30, no registration will be finalized until estimated fee is processed.

Payments for the winter term are due by December 5, unless prior arrangements have been made to extend the due date to January 2, 1974. Any student who anticipates not being able to meet the December 5 deadline should make proper arrangements in order to avoid a late payment charge of \$25.

As in the past, all fee payments are to be mailed to the bursar's office at University Park, however any student who has a financial problem should consult with the Finance Office here at the Capitol Campus. *****
