As of this time, there are over three hundred EX-GI's attending classes here at CAPITOL CAMPUS and most of us are in the undergraduate programs. This large number of warm bodies indicates that the activity potential of "CHI GAMMA IOTA" is enormous - if only we all strive to get it together. So fellow Juniors, come to room E-338 on Monday, November 19th at ANYTIME between 12:15 p.m. and 3:30 p.m. and rap for a while.

sincerely yours,

PAUL R. EGGERT  
A CONCERNED EX-GI
