

Soccer Team Earns 2

The first two games' loss against N.E. Christian and Messiah represented the price of taking on two top teams at the start of our season. But the victory over Hazleton Campus (3:2) and a clean sweep over Lancaster Bible (7:3) is the reward for patience and discipline of a team whose time has arrived.

Coach Trunk has been working the team hard and it has paid off. "The players are now in shape and the last two games gave evidence that they are handling the ball as a TEAM should," said the coach. "At this point we are capable of taking on any challenger. Capitol has a potentially great team in these players." Two Harrisburg league teams have been added to the schedule; the Internationals on the 9th at 8 p.m. and the Olympics on the 14th at 8 p.m. - both home games.

Commenting on the past three games, the coach felt that the team was not ready for Messiah. The defense - halfback relation had not yet developed as it should. As a result their forwards repeatedly broke through our defense unguarded. The team played a close game the first half ending in 2:0 for Messiah. But the second half saw Messiah score four goals in succession, three by their powerful center forward. Capitol came alive late in the game. Dennis Doerr scored twice off passes from Barry Deacon and Mike Burkholder. Messiah scored twice more ending the game 9:2. Goalie Tom Peterman learned much from this game. Although the high score indicated a weak Capitol defense, there is no doubt that Messiah was the stronger team. At this point in time the outcome could easily be reversed.

When Capitol went against Hazleton Campus on Saturday, half of the starting players were given the day off. So sure was the coach of his depth of talent, that he allowed the game to be televised. The team was counting on the talents of John Harris and Barry Deacon for scoring punch, and the pass play of Randy Hess, Armand Magnelli (last season's goal) and Al Burlikowski in the forward line. Capitol took command of the game and never let it go. John Harris scored early in the game followed by many clobber calls until Barry Deacon headed in a neat high pass from left halfback Andy Koval. Hazleton scored once the

1st half, which ended 2:1. The second half both teams scored once more resulting in a 3:2 Capitol victory. John Harris headed the ball into the goal on a corner kick from Armand Magnelli. Doug Weirich gave an excellent performance at center halfback along with the rest of the defensive unit.

When Capitol finally met Lancaster Bible last Thursday, it was with the memory of two past season solid defeats (2:7, 1:5). The coach shifted to a classic 2-3-5 system with special assignment to center halfback Ennio Trent. It worked! The forward clique of Burkholder - Doerr - Deacon was unbeatable. To an observer, the first half might have appeared to be a toos-up. It ended in a 2:2 tie. But Capitol knew the tide had turned. From the first Capitol goal at 11 minutes - a neat pass from Deacon to Doerr who blasted it into the nets - the team looked good! Ennio Trent scored the second goal on a direct kick penalty that screamed into the upper right corner - no goalie could have touched. The second half, Capitol ran rings around Lancaster. Every few minutes, a goal! Dennis Doerr pressed a high ball from Barry Deacon into the goal, taking their fullback along for the ride. Then Halfback Dan Fichtner in one of his long throw-ins sets up Mike Burkholder for a score. Next a neat corner kick from Burkholder to Ayyoub to Doerr who heads it in. Doerr scores again on a pass from Deacon pulling Capitol far ahead 6:2. Lancaster gets one more and then Dan Fichtner sets the crowd roaring when he blasts one home from the left side that curves into the right corner grazing the goalie's outstretched fingers. The whole team earned this victory. Ken Albert along with newcomer Dave Wozniak and Mike Nonnemacher did an outstanding job with the new Fullback defensive system. The special assignment of Ennio Trent did much to keep Lancaster on the defense.

The team is looking great in their new royal-blue striped jerseys and dynamite in their boots. As the momentum increases from their last two victories, they look forward to meeting with Schuylkill Campus here at 8 p.m. on May 2nd and with the Harrisburg International Soccer Club here the following Thursday at 8 p.m.
